Relief Notes

New York

New Orleans Fourth street

The Consumption, is a disease which is carrying its rictims to the tombs by thousands, without being arrested in its progress by the medicines in common use at the present time. But a brighter day is coming, and has come—as to successfully arrest this disease. Dr. Rogers Liverwort and Tar not only gives immediate relief in Coughs and Colds, but from the testimony of men of the highest standing here and elsewhere, it is making some very rémarkable cures of Consumption. Improvements in the treatment of diseases are onward, and nothing can arrest its spirit in the present use. Those who are afflicted with diseased Lungs, would do well to call on the agent, and see the certificates of Dr. Wm. J. Richards, Judge Vm. Burke, the wife of the Rev. George W. Maley, and of Dr. Hijram Cox, late Professor in the Eclectic Medical College of Cinainnati.

This medicine not only cures Consumption but breaks up the most distressing Cough in a few hoars time, or the money will be cheerfully refunded.
