## For the Saturday Morning LINES. BY MISS MARGARET COURTNEY

When thankful words are on our lips, If in our hearts they were; If every smile would turn to praise, And every sigh to prayer ; \_ Then life would blossom like the lea In sunny summer fair, We scarce in heav'a would long to be

But feel already there.

## Select Miscellann.

Now I Lay me Down to Sleep. bere are propably no four lines in the English iguage that are repeated so many times daily following:

• "Now I lay me down to sleep, I pray the Lord my soul to keep, If I should sie before I wake, I pray the Lord my soul to take." And it is not only children and youths that re

it them. Many whose heads are "silvered over ith age," have been accustomed to repeat them last prayer before closing their eyes in leep, every night since they were taught them in nfancy. The late ex-President of the United tates, John Quincy Adams, was among that umber. A Bishop of the Methodist Church, in ddressing a Sabbath School, told the childre hat he had been accustomed to say that little rayer every night since his mother taught it to when he way a little boy. In conversing, recently with a ship master seventy years of age, and who has been for any years a deacon in the church, he said that e followed the seas, and even before he in ulged in the hope that he was a Christian, he ever lay down in his berth at night without say-

ng with great seriousness, and he thought sintity, Now I lay me down to sleep." e felt so strongly his need of religion, and h langer without it, that he used always to read his Bible; and place that precious book under his pillow at night, and often to kiss the sacred volume rusting no doubt, in this reverence for the word

God, instead of trusting alone to the Saviour. Let every reader learn, and every night repeat at little prayer, "Now I lay me down to sleep, &c." The Beauty of American Women.

Mr. Mackay, an English barrister, bas pubshed his travels in the United States. The fol. owing is an extract in relation to the beauty of merican women:

 "Bat RESTRICTING the hours of labor to TEN, WILL NEVER to this," &c.—Gazcus, of Feb, 14.
 "Let the scale, however, incline to which side it may, one thing is very certain, that neither the preaching of radical inswepapers, nor the heranome of descentions. adical newspapers, nor the harangues of demagogue r the EMPIRICISM OF TEN HOUR SYSTEMS, ci

regulate the relations of Jabor and capital, the slightest influence of a permanent charac rates of wages."-Gazette, March 4. \* "Wo will furnish him with our files, which con-tain the PROOFS that / before the election, a sickerly, at least as the 7th of August, WE DECLARED OUR Dig APPROBATION OF THE TEN HOUR LAW,"-Joint

DISTINGUISHED ARRIVALS. Gen: Cass arrived In this city last evening, on the Brownsville boat, and took lodgings at the St. Charles Hotel, Our Democratic fellow-citizens made rrangemente to give the General a public receptio but he positively declined having any parade or

display shown him - preferring to travel home quiety and unosteritationsly. A considerable number of of British is small. There is no considerable lemocrate, however, proceeded up the river some ourieco miles, on board the steamer Louis M'Lane, where they met the Consul, having on board the General, and several Senators in Congress; among ceipts of woollens since our last have been light, whom we may notice Col. Jefferson Davis, of Mississippi; Turney, of Tennessee; Atcheson, of Missouri.

and Jones, of Iowa. The Hon. Edward A. Hanna gan, Charge d'Affaires to Berlin, was also of the Gen. Cass and his distinguished traveling, com panions, last night partook of the hospitality of ourownsman, Col. M'Candless. It was a right pleasant party, and they all appeared to enjoy themselves to the fullest extent.

Gen. Cass and his Senatorial friends, leave this norning, on the Hibernia, No. 2, for Cincinnati. The General will receive company at the St. Charles, until 10 o'clock, and we would advise all our friends o call upon him without invitation or ceremony.

The Spring Elections. "There are two points in which it is seldom Albeit the Presidential election last fall resulted qualled, never excelled-the classic chasteness by no means favorably to the Democratic party, yet, d delicacy of the features, and the smallness it is a matter of some consolation to know that we d exquisite symmetry of the extrem ties. In were not conquered. Our political friends in several respect, particularly, the American adies are singularly fortunate. I have seldom States, very unwisely permitted sectional questions to distract their counsels, and divide their strength. Carlisle, on the 20th inst., for the purpose of sending delicately brought up, who had not a fine hand. The feet are also generally very small itely moulded, particularly those of a most decided Democratic States in the Union,) not of July next. .House or Repairentatives, regret to say, that the House this morning reof ribbons showed a small decline on private sale private. The dry goods under at private sale had not been brisk, the jobbers being pretty well sup. plied, and the season being just between the cloing of the far and home trade. The Dry Goods Reporter gives the annexed statements of the con-

ition of the domestic dry goods market: "Trade has been dull during the past week, enli vened only by the occasional demand for export. Cotton goods are increased stock, and sales have en made at a shade lower prices for export. "The stock of drills is increasing, and we hear sales at a shade lower than quotations; this is owever, for export. Prints continue in good reuest. On good styles of light prints old patterns an advance of half cent per yard has been obtained over December prices.) Business has not been active in cloths, but a steady demand may be

ted for home trade. Cassimers are selling free ly. Some small operations for export. The stock of Satinets is small, and the advance does not ap of calinets is small, but operations. The opera-pear to have checked operations. The opera-tions in flamels have been small, but the stock is of roguery has run its race, then there will be somelight. Mogs. de laines are without change. There

is a steady demand for all that are produced, and new styles are held firmly "at quotations. Fancy and single colored, 16 a 20. Of foreign dry goods the Reporter, remarks r follows:

"Shirtings remain as before reported, the supply stocks of desirable prints; choice patterns mee with ready sale at an advance of 10 per cent on January prices. In ginghams no change; the stock now on had is of late importation, The reto be rescinded. and but few more are expected under the preser state of the European market. The demand he not been quite as active as it was two weekssince. In linen goods the movement has not been quick at private sale. Some sales have been made at auction during the week which showed a decided and lady ?? improvement. The supply of new goods on the market is better at present than it has been any time during the spring In state linens the au-tion sales of the week show a clear advance of 5 per cent. over private, sale prices. In linen drills to change. The receipts of silk goods have been light and must continue so. There is no change. Of silk shawls, all that have been offered through the auction room have bean taken at full privat sale prices. Considerable lots of ribbons have Native that dodges or votes against the bill, I will been offered at auction during the past week, and freely expose him to the public censure of an out-

nadines are in good supply, and of suberb patterns They move off reely at remunerating prices." Cumberland County.

The Jews.

In most countries of the earth, the load of

pression which has long weighed upon Jewish breasts is gradually being removed. That remarkable race, whose astonishing preservation amin all their dispersions, persecutions, sufferings, and for such an immense period of time, is without a doubtedly beas us out. parallel in the history of the world, and is justly regarded as a standing miracle in proof of Reve-lation, seem about to imbibe new youth and vigor from the spirit of the age, and to start forward with fresh animation on a career of indefinite du ration. More than three thousand two hundred years ago, their inspired volume said: " The Lord shall scatter thee among all people, from the one end of the earth even unto the other ; and among these nations shalt thou find no ease, neither shall the sole of thy foot have rest; and thou shalt become tion an astonishment, a proverb, and a by-word among all the nations whither the Lord shall lead thee."

And again : "Yet, for all that when they be in the land of their enemies, I will not cast them away, neither will I abhor them to destroy them utterly." "I will make a full end of the nations whither have driven thee, but I will not make a full end of the entire country west of the Mississippi, for twen thee." The wonderful fulfilment of these prophe- ty five or thirty miles into the interior, is under wacies is a matter of history. It has been reserved for the present age to witness any smel the condition of the Jews, and for this county t the contingious portions of Upper Louisiana. lead the way in the good work. England appears to be about to follow our example. The day may not be far distant when the following prediction of the inspired prophets shall receive its complete fulfilment: " For the children of Israel shall abide many days without a king, and without a prince, and without a sacrifice, and without an ephod, and without teraphim; afterwards shall the children channel of the river. of Israel return, and seek the Lord their God, and David their king; and shall fear the Lord and hi goodness in the latter days."

other rivers in the interior of Iowa, are just beginning to swell their usual spring floods.

The West-Ohio-Progress. It is but lately the snows of the upper regions c Fredrick Von Raumer, a professor of history in the Mississippi have commenced to thaw, and should University of Berlin, visited this cour this thaw be rapid, and accompanied with frequent 1844, and waote a work on "America and the and warm rains, the Union thinks the flood at that American People." The work has gained much place will be tremeadous. We should not be aston celebrity and praise for its ability and candor .---ished if it came up to the high water mark of 1844 Speaking of Obio, he says:

ure and mind form in the Western States of America a rare, I may say, a unique combina. tion; and among them Ohio takes the lead. Her that the large three story stone warehouse of Messrs, mission is to examine impartially the great social problems and controversies of the confederate States, to Beebe & Brewster, of Peru, had fallon down. Two test them fairly, and thus to guide and govern the warehouses belonging to Mr. Tompkins, at Copperrest. It may be doubted whether the grand reas creek, also fell down and another is only proventof the South must not be disturbed d from following suit by the immense quantity of by slavery, and whether in the Eu t there may not spring up by the side of the cultivated classes grain stowed in it, which holds it down., The water a dangerous city populace; but in Ohio we see only is said to be higher at Peru and Peoria by eighteen youth, vigor, health, progress and improving pros pects in all direction

Has not Obio already entered on the mission pointed out for her by the German Professor? We think she has, and that she will be true to it.

STACE ROUTE TO CALIFORNIA .- A line of stages has been established between Vera Cruz and the Pacific coast, which will furnish a regular and speedy communication for passengers to Califor-nia. The line, is furnished with superior American post-coaches, and the best horses the country will afford. "The road runs through the principa citics in Mexico, and where good accomodati can always be obtained. Th e distance is abou things is indeed gloomy in the extreme. eight hundred miles, which is accomplished in eleven days-the entire expenses in the neighbor hood of one hundred and sixty dollars, to San Blas or Mazatlan, where shipping can be found to San Francisco.
