I Giddless and Dizzines.—Wright's Indian Vegetable Pills are one of the best medicines in the world for the cure of giddless, because they purge from the body those stagnant and corrupt humors which, when floating in the general mass of the circulation, are the cause of a determination or rush of blood to the head, giddless, headache, loss of memory, dimness of sight, drowspices, pain of the head, and many other symptoms of a loaded and corrupt state of the blood.

Wight's Indian Vegetable Pills are also one of the very best medicines for the cure of indignation, and therefore will most assuredly restore the body to a sound state of health.
