FUBLISHED SONG. BY THE LATE THOMAS HOOD. There is dew, for the flow'ret, And honey for the bee; And bowers for the wild bird And love for you and me : There are tears for the many, And pleasures for the lew; But let the world pass on, dear, There's love for me and you

There is care that will not leave as, And pain that will not flee; But Ou our licarth unaltered Sits Lovo "tween you and me! Our love, it never was reckoned. ? Yet good it is, and true ; It's half the world to me, dear, It's all the world to you! From the Model American Cours

## THE MARRIAGE OF POCAHONTAS

BY. W. H. CARPENTER. [CONCLUDED.]

The Princess looked at her bower-woman for cople there is a place vacant, and they look upon gle moment with the imperiousness of on sadly, and ask of one another, ' Will not the whose will had hitherto been the law to her comons: but meeting the merry, unabashed glance tle Anne, and the quiet smile of the pale the gen dow, she tamed down the hot blood of her wild dance are joyous no more, for they miss thy cheersionate nature, and taking both of her compan ns by the hands, said, with the artless grace of a | ing voice from tome of thy father is pleasanter far ?

entered and occupied such places as they l

could. After kneeling devoutly for a few min

toutu. After kneeing gevouty for a few models at the foot of the altar, the good priest arose, and standing before the youthful pair, he ppened his book. But here a strange and startling interrup-tion took place. Strading up the asle, where du-

tion took place. String up the asse, where us ring the confusion, they had remained talking-earnestly, came Tomoromo. and Nautaquas.— Some of the gentlemen, toting this movement, and

" Dame Forrest | Anne! good friends-other land " Mataoca, listen! If thy heart yearns after the eople wise-head better, heart no better-Poca-iontas not wise-Rolfe please, Princess try be good running streams of thy childhood, and the sunny places where the wild deer feed-if thou longest -learn white ways-love Powhatan, Indian father be back among the youths and maidens who love Smith, white father-love Rolfe"-her feapine for thy absence, speak! I am old, but my tures lighted up and thrilled all over with an exarm is strong; our braves are many-look around ulting expression, and her very heart seemed to bound at the mention of his name, as she added, -they can bear thee hence !" As Tomocomo spake, Pocahontas listened with Light-dark-bot-cold-all time love Rolfe!" drooping ayes, and their long dark lashes were gradually filled with tears; but when he had con-cluded, she cast a long, earnest, loving glance upon the anxious countenance of her betrothed, and, The pale widow looked out of the casement, and ver the street, and across the bowling green, and far away into the little churchyard ; and her heart vent down into the grave of her dead husband ; drawing closer to his side, laid her hand fondly and her eyes were filled with sorrowful tears. She

thought of her wedding day, and the deep, trem-bling, earnest delight with which she regarded his within his, and said : " Tomocomo ! uncle ! The words that have been spoken make me very sad. I love John Rolle. evoted glance as the good priest of the little gothic If I leave him I should die !" church of St. Mary's Cray, in the pleasant county "Thou hast spoken !" said the old warrio it Kent, pronounced the irrevocable words which calmly, and folding his robe about him, he fell united them man and wife forever and forever .-Dear Aine Laydon knew that the widow's heart back and made way for her brother. Was full, and even her merry face began to cloud "Sister," said Nataquas, "our father, Powhat. was full; and even her merry face began to cloud for very sympathy; but when she remembered tan, is old, and his eyes are growing dim ; he says

how necessary it was to shield from gloomy fan-cies, the genile and impressible nature of the Prin-stranger he will keep peace with so long as Matacess, she touched her former mistress upon the loca is happy in her new home. If she is weary, and with a look of sad caution recalled her we will take her back-we want her much. But arm, and with a look of sau caution recalled her we will take her back-we want her much. Dut stitutional means, loster and encourage industry in to benefit. During this time the unconscious Po-cour white friends know more than we, and John all its various branches; it is palpably and clearly achontas had suffered her bower-woman to com. Rolfe is a good man. He will teach Mataoca wrong to single out any one particular branch of olete her labors, and was now surreying herself many wise things. Stay-come-my ears are from chaplet to mocassin, with expressions of the most unfeigned delight. She examined her new Pocahontas cast a look of deep affection upon habilimenta in every way-near and then afar: hurbing then first on one side and then on the other; breast of her betrothed, and winding her arm tenderly about him, said : weighing the pearls with her band, pressing them

to her cheeks, and feeling their smoothness with "Brother, my father's words are good. What her lips, to the no small trepidation of Anne Lay can I say? My heart is here with John Rolferwhere my heart is, there is my home." "" Thou hast spoken well, and wisely, Princess," don, lest this exhibition of exuberant gaiety should mar the effect of her labors. All at once, with a

the Princess changed. At the sudden tinkling of been interpreted; " and foul befall the knave who hawk's bell upon the deer-skin dress she had so fails to do thee honor. Tomocomo, Nautaquas, arely discarded, she started timidly, and covering the Princess Pocahontas shall be respected by our her face with her bands, preserved for a long time people as becomes her gentle birth; and that Mas-n teartul and impressive silence. ner lace with her banus, preserved for a long unie a tearful and impressive silence. Profound indeed during that dark interval, must have been those sensations of that wild young affection is over, I pray you let the ceremony pro-crauline, which were aroused by the tinkling bell ceed."

And amid the deep silence that ensued, the whithe deer skin robe. Who can say that she did a flashing moment, repent that love had words of the priest were audible to the farthert ed her forest nature? She thought of her limits of the church; and when at longth he asked suffbood before the bark of the white man the Princess in the touching and beautiful word

prior to the rown; and she, who was a great husband; wilt thou obey him, and serve him, in sickness, and in be graded by the comparison. Then, she wished, itealth, and lorsaking all others, keep there only unto the measure. We observe that the Hon. Jossin to the in an intervent of the formatice him, so long as ye both shall live?" She lifted up her large black eyes, bright with a world of she had remained in happy ignorance-happy in the simple pleasures of her forest life, and pleased love, and answered in a low, hrm, musical voice with the simple sports of her wild followers ; and "I will." And when the ring had been put upon her finger.

her heart was gradually filled with deep sadness. Then she reverted to the coming of John Smith, the youthfol martialist, whose fame was upon and the prayer said, the good priest rose up, and pranouncing the benediction, sealed it with a chaste men's tongues in many lands She remembered ciss upon her forehead. d witnessed his great valor; and how Kiss upon her forehead. And then the trumpets sounded, and the cannons roared gand all the people gathered round, and with the ring of caps, and hats, and hands, and kerher heart had yearned towards him with inexpressible tenderness, when he was dragged by over-powering numbers to the sacrificial block to die. "Losa Live THE LADY ROLFE!" And then her heart greiv lighter as she saw her?

self, egain, an enthusiastic child of twelve, dash aside the terrible club of the executioner, and lay-Origin of "The Old Oaken-Bucket," ing her smooth young cheek to the bearded cheek We came in possersion, last week, of an ance-dote respecting the origin of Samuel Wordsworth s of the warrior, bid her stern father crush both or neither. Then followed the memory of her long

mmous ballad of that name, which appears to us to unchanging watchfulness over the life of the warpossess so much interest, that we cannot withhold rior she had saved, and through his worthiness, her t from our readers-especially as it has not before affection for his people. And then came suddenly again, irradiating as with a great light all the tem-ple of her mind, her love for John Rolfe; and as been in print. Some seven years ago, when Wordsworth, the his voice pronounced her name from the door of printer, and several other " Old New Yorkers,"

were brother typos in a printing office, at the corner the apartment, she awoke from the long trance of of Chatham street and Chambers, there were very the past, and with a loud cry of joy threw herself few places in this city where one could enjoy the into his outstretched arms. Anne Laydon laughed aloud, but the pale widow luxury of "a good drink." Among the few places most worthy of patronage, was an establishment kept by Mallory, in Frankfort street, on or about the same spot where Saint John's Hall recently caught a glimpse of a green grave in the little churchyard, and her eyes filled with tears.

stood. Wordsworth, in company with several par-THE PROCESSION. Crowds followed the Princess Pocahontas as leaning on the arm of John Rolfe, she proceeded ticular friends, had "dropped in" at this place one, alternoon, for the purpose of taking "brandy and water," which Mallory was famous for keeping. to the Governor's mansion. First, however, as water, which Biallory was famous for keeping. The liquicr was super excellent. Wordsworth seemed inspired by it; for, after taking a draught, he laid his glass upon the table, (remember, dear reader, that, in these "rare old times," a man rarely met a friend without inviting him to imbibe) and emothing is first dealaged that Mallowite and claiming precedence by their affinity to the bride, followed a long train of Indians. in their best and bravest array. These were led by Nautaquas, the brother of Pocahontas, and her uncle Tomocome. They were all apparently without arms, but they marched with a proud, fearless step, equally re and smacking his lips, declared that Mallory's eat de vie was supe ior to anything he had ever tasted. "No," said Mallory, "you are mistaken; there was one thing which, in both our estimations, far gardless of the comments of the bystanders, whe ter those comments were praises from the well disposed, or muttered maledictions from the lips of the looser sort. On arriving at the appointed surpass this in the way of drinking." place, Nautaquas and their uncle drew off their "What was that ?" asked Wordsworth, dub

swar hy tollowers to the right and to the left, and formed with the Governor's troops a double guard of honor around the house within whose portals had disappeared their beloved Princess. It was in the well, after our return from the labors of high noon when the trumpets sounded ; and then field on a sultry day in summer." flags and streamers of many colors were displayed from the forts, the public buildings, Captain Ar-gall's goodly ship "The Sea Venture," and the smaller barques upon the river. And then, from a the mouths of thirty-five pieces of artillery rolled to

out the volleyed thunder. And then the great and in half an hour, "The Old Oaken Bucket," one gates of the courtyatd were thrown open, and issuing thence, three trumpeteers advanced on foot memories of succeeding generations. in scarlet doublets, braided with broad gold lace. Next came the old guard of the Colony, bearing nder the sun ?- Home Journal. pikes and matchlocks; and cased in burnishe

steel half armor, save the iron headpiece, which

was exchanged for the lighter and more peaceful Why is it that the rainbow and the cloud come whose trappings swept the ground-clothed in re-fulgent steel inlaid with a rabesque work of blue over us with a beauty that is not of earth, and then pass away, and leave us to muse on their fa-ded loveliness? Why is it that the stars which and gold, with his short black clustering locks surhold their festivals around the midnight throne, mounted by a light sombrero of Spanish workmanmounted by a fight control of opanish workman- upid their restruits around the miningraphic rode Sir Thomas Dale, the Governor. Behind t are set above the grasp of our limited forever mocking us with unapproachable glory bim, on a smaller horse, and bearing on the pum-mel of his saddle the shining helmet of his master, And why is it that bright forms of human beauty rode, with his long curling auburn hair and blue are presented to our view and then taken from us leaving the thousand streams of our affections to eyes, a savey page arrayed in a dress of light blue satin guarded with silver. To the right and left, flow back in an Alpine torrent upon our heart ? Me are born for a higher destiny than that of earth There is a realm where the rainbow never fades rode knights and gentlemen; each attired in his bravest; among whom we note Sir Thos. Gates, where the stars will be spread out before us like

the Admiral; and Captains Percie, Nuse, Croshaw and Argall, and Deputy Master Farrars. Then followed the good priest in the white vestments of his holy office; and close behind him, with her hand leaning lovingly upon the arm of her be rothed busband, came the Princess Pocabontas Prentice.

er kinsmen, with their wild train, followed next; i thronging the way, and bringing up the rear, the people of the Colony. And the trumpets nany, unrecol aded, and the cannons roated, as the processio ved in this wise to the humble church wherein marriage rites were to be solemnized.

THE MANNIAGE. Clustering like bees upon the buttrasses, the lables ! Kind hearts never use them; neither

brasures of the church windows, and even from lightly as in scorn, nor sadly as in pity; spare that the square tower above, the populace saw the prongenerous reproach. an excellent paper published in Philadelphia, a call for a National Common School Convention, this bill came before the House, for the purpose of advancing popular education in the United States irrangement. It has also been recommended that trusted with power. friends of Education, in each State, shall as-

semble in State Convention on the 4th of July. at their respective capitols, for the purpose of appointing delegates to the National Convention. Every measure that is calculated to improve the mental condition of the human race, is worthy of the serious consideration of the philanthropist and statesman. The citizens of Pittsburgh take a deep interest in the subject of education; and

ve have no doubt but that they will, at an early day, adopt measures to have themselves represed | stands-Sherman, Whig, 1959; Thurston, Dem., ted in the National Convention of the friends of Common Schools. The Casket says the following named gentle since the Pres dential election.

nen have consented to act as a Committee of Ar. rangement for the " National Common School

Convention" Hon. JOSEPH R. CHANDERB, Chairman. ALFRED E. WRIGHT, Cor. Secretary.

James J. Barclay, George Emlen, Jr., Daniel M. Fox, Joseph Cowperthwait, Edward Biddle, Wm. against their own country. Sach men proscribe Martin, John Miller, Mordicai L. Dawson, S. S. themselves by proscribing their country.

Randall, J. Engle Negus: Communications in reference, to the propose

Convention should be ad Ireased to the Correspond ing Secretary. Those intended for publication should be addressed to the Editor of the Casket. Congress. Pennsylvania Lunatic Hospital. The corner-stone of the new building designed ieveral Courts of Alleghony county. or "The Pennsylvania State Lunatic Hospital," now

being erected within a short distance of Harisburg, was laid on Saturday, the 7th inst. The Keystone, ponoticing this long needed instruction, says: There were present a very respectable assemblage composed of members of the legislature and other

citizens. Gov. Johnston delivered a well written "The draught of pure fresh spring water that we used to drink from the old oaken bucket that bung and appropriate address on the occasion, which, ve regret, we have not room to publish in this umber, but will give it in our next. The founda-The tear drop glistened, for a moment, in Words-worth's eye, "True-true !" he replied, and soon cisca. tion of the building is completed, and Mr. Havil. and, the architect and contractor, is prosecuting after quitted the place. He immediately returned to the office, threw down his stick, grasped the pen the work with vigor. For the commencement of this philanthropic enterprise, the citizens of Pennsylvania are greatly indebted to the persevering exertions of Miss Dix, and the commissioners apwas ready, in manuscript, to be embalmed in the There, render, do you say there is nothing new pointed to superintend its construction, are entitled to the thanks of the community for the zeal they have manifested in favor of its completion." Immortality of Man.

> Pennsylvania and Ohio Railroad. On the 2d instant, the citizens of Richland county, Ohlo, held an election, on the subject of a subscrip-

tion to the Stock of the Pennsylvania and Ohio Rallroad, which resulted as follows: for the subscription 2125 against 1906. On the same day, the citizens of Stark county, de

cided by a majority of 1500 in favor of a subscription of 15,000 to the same Railroad.

Total of Gold from California.

Over two hundred thousand dollars of California gold, says the New York Herald, has already been islands that slumber on the ocean-and where the received in this country. ... It came in the following eautiful beings that now pass before us like visions will stay in our presence forever.-George D. Arrivals of California Gold.

ston, March 26, ship Trar, from Hon-Old Maids. "Let her die an old maid. An old maid ! how

ded sorrows, how much of cruel dis tment and heart-cankering delay, how often times inwritten trägedies are hidden in that thoughtless phrase! Ob, the mass of blighted hopes, of elighted affections, of cold neglect, and

A SwindLER .- On Saturday evening, a well dress-A SWINDLER.-On Saturday evening, a well dress-ed man entered a physician's office (on Sizth street,) WRAPPING PAPER-500 reams Medium Straw; ADMITTED .- On motion of Mr.Kuhn, Wm.Becson, in great hasto, and stated, that at such a place a man Esq., was on Saturday admitted to practice in the was laying dangerously ill, and required medical attendance. He proposed to pay in advance for the first visit, and pulled out a "V, " on a Maryland

INCREASE OF WAQES .-- On the first of the present Bank, which the Doctor took, and gave in change month, the wages of the operatives upon the corpo-rations of this city, were raised from twenty to twenty five per cost; having been restored to, what four dollars in city or county scrip. In a few minfour dollars in city or county scrip. In a fow min-utes, the discovery was made that the "V" was a conterfeit. The Doctor made pursuit. The rascal was caught, collared and forced to redeem the coun-torfeit. The officers were sent after him in order that he might be taught a lesson which may be use-ful to him in future operations. Up to the time of writing, he had not been taken. Max. Cause.—This much admired actress and ex-amplary lady, appears this evening, on which seca-sion she takes her first benefit. We do not know that it is necessary for us to do more than simply to that it is necessary for us to do more than simply to make this announcement. Mrs. C. has appeared to the several interesting characters in all of which, she several interesting characters in a life where several interesting characters in all of which, she several interesting characters of the whole they were six months ago. This must acceptable to the girls. Lowell Courier. This must be more The Advertiser says, we have heard nothing o his increase of wages, and have no doubt whatever it is a mistake-we have never yet known of wages that he might be taught a lesson which may be usehere being raised any that is not the order of exer- ful to him in future operations. Up to the time of

Reported Wreck of the Steamor Acadla. The last advices bring a statement that the stea mer Acadia, which has been maning until recent-ly as one of the British line of steamers between Boston and Liverpool, was lost on the night o Sunday, March 10th, while on a voyage from Liv Sunday, march rora, while on a voyage from Liv-erpool to Bremen. The representatives of the German government, by which both the Acadia and Britannia had been purchased, were on board, all of whom, with the officers and crew, and all succeeded in winning the applause of the whole house. When an actor or actress succeeds in Pittsburgh, they may pass in any place. Our audiences are severe, but just-at the same time indulgent. persons on board, were saved. The value of the ship, with her machinery, the steam engine being of 500 horse power, wasestimated at nearly £100. Mrs. C. has passed muster, and has many warm admirers. We trust they may exhibit a substantial ev

According, however, to an Amsterdam letter of Marth 16, in the Boston Traveler, of Monday even ing, this report was exaggerated. It says: "The Acadia was on shore on the Guter Grou near Terschelling, on the 12th, but was got off or the following day by the assistance of pilots, and Clothing Store on Liberty street, near Irwin, (in taken into Terschelling, having sustained but slight Werneberg's old stand.). The proprietors are young damage, and will promptly be able to put to sea
