ILT RIMEMATEM AND GOTT —Wright's Indian Vegetatable Pills are a most extraordinary medicine for the cure of Rheumatism and Gout, because they not only cleanse the stomach and bowels of those morbid humors which, if taken into the circulation and thrown upon the membrane and muscle, are the cause of the above painful maladies; but they excite the absorbent vessels to take up that which is already deposited, and therefore are absolutely certain to make a perfect cure of Rheumatism and Gout. A single twenty-flive cent box of Wright's Indian Vegetable Pills will often give the most autonishing relief; and perseverance according to directions will be certain to drive pain of every description from the body.
