PITTSBURGH TUESDAY MORNING, APRIL 24, 1849. HT For Commercial and River News, see next Page.

The Latest News, Market Reports, &C., will be found under Telegraphic Head. the rising generation. The child of the poor man noon, and took lodgings at the Monongahela House.

He will leave this morning. Russia and Turkey. From a general survey of the intions of the Old World every observing mind must be convinced that the period is at hand when there will be more need for swords than reaping-books. The designs of

Russia upon Turkey have produced no inconsiderashare of that which was intended for them. Eduble alarm in England. The London Times, in adcation is the right of all, and to make a virtuous verting to the crafty movements of the Emperor people, all should be educated. And it is an insult Nicholas, declares that " Europe is reposing on a to this community, that a petition of this character volcano." The amicable relations which have should ever be signed. But thanks to an intelligent heretofore existed between England and Russia no Legislature it was not entertained. The bill passed longer exist; and the British Ambassador at Conwithout a dissenting vote, and had any membe stantinople, Sir Stratford Canzing, has intimated to doubted the necessity of the High School, this petithe Ottoman Porte that in case of a rupture with the Russians they may expect the assistance of his govshould pass, and that immediately. Therefore let

The designs of Russia upon the Turkish Empire orance will not turned to the tax Payers, trepectable portion? of the tax Payers, TRUTH. have long been known to the world. In A. D. 988 Vladimir the Great, Grand Duke of Russia, was baptized by Greek missionaries from Constantinople; he

married the sister of the Greek emperor, and introduced Christianity into his dominions. From that time until the present, through all the vicissitudes of war and conquest, the religion of the Greek Church has prevailed. Consequently, since the subjugation and other of similar character as altogether visionary the extension of their power over their own agents of the Greeks by the Tarks, the Czars (or Cesars) of Russia have claimed a sort of legal right to the em- and calculated to impose unnecessary burden upon pire of Constantine, by virtue of the union of Anna, daughter of Basil II. with Vladimir. In the will of

Peter the Great, it is said, his successors are directed, when the proper time shall arrive, to assert that H. Smyser, right, and to remove the Imperial City from the E E. Simpson, F. Lorenz. Baltic to the Bosphorus. Above the tomb of Alex-Hilary Brunot, Wm. Eichbaum ander are now hung the keys of Paris and Adriano. ple, and it is the ambition of Nicholas to have sus-Chas. Rowan, G. Armor, John Willock pended over his tomb the keys of Constantinople, and thus make the Mediterranean the southern bour James Woods, dary of his empire. When Napolean was an exile E. Phillips,

in St. Helena he said that in fifty years Europe Rail Road Meeting. would be either republican or Cossack ; and the pe The meeting last evening in the Board of Trady riod is at hand when the prophecy is about being noms was quite large, and proved to be exceedingly fulfilled. Two great forces are at work antagoniati cally, the pen and the sword ; if the pen triumphs the sword of even the fierce Cossack will be beaten into the pruning hook ; but we fear before that time

takes place it will have performed many a sanguinary task. The PER is the pioneer of Democratic Liberty : the sworp opens the way for Tyranny to ders of applause, and when he sat down, a vote or trample upon all that Humanity holds dear. The present distracted state of Europe is an adthanks was adopted. vantage to the crafty designs of Nicholas. With recruits from seventy millions of subjects, most of them no better civilized than were the Goths, the Vandals, and the Huns, his progress will be irresist ible, unless the whole strength of England is thrown in the path of his progress. That England will endeavor to preserve the integrity and independence of the Ottoman Empire we cannot for a moment doubt ; for it is her interest to do so, in order to retain her own Asiatic dominions. At the presfused to aid in the enterprise. ent time the Turkish navy consists of forty shipe, and her army amounts to 300,000 men, and such a

and her army auddates to the greatest mil-force is not to be despised even by the greatest mil-itary Power of Europe. With England as an allys the Company in this city, and made a strong appeal itary Power of Europe. With England as an allys to the citizens to come forward and subscribe. In returning amongst you, it shall be my prive and my pleasure, as a private citizen, to sustain the Democracy of this renowned old country, the Democracy of this renowned old country, it would be capable of trustrating the amountous Mr. Bakewell submitted a set of Resolutions, whether in prosperity or adversity, and to promote wearing the iron crown of Constantine. The time is which were adopted. They recommended the issues by all honorable means the harmony of the party. f bonds by the cities : the appointment of a commit-
