If Ruymarism and Gour.—Wright's Indian Vegetinble Pills are a most extraordinary medicine for the cure
of Rheumatism and Gout, because they not only cleanse
the stoanch and bowels of those morbid humors, which, the stomach and bowels of those morbid humors, which, if taken into the circulation and thrown upon the membrane and muscle, are the cause of the above painful maladies, but they excite the absorbent vessels to take up that which is already deposited, and therefore are absolutely certain to make a perfect cure of Rhemmatism and Goul. A single 25 cent box of said indian Vegetable Fills will often give the most astonishing relief; and por severance according to directions will be certain to drive pain of every description from the body.

Bevear of Countrfitis and Imitations.—Remember that the Original and Only Genuine Indian Vegetable Fills have the written signature of William Vegetable F FEBRUARY 1st, 1548.
