Indigestion, Hypo, Blue Devils, and Cholern ! Indigestion, Hypo, Blue Devils, and Cholern ! The public generally, who are out of sorts, may safely embrace this unicersal sugar-coated remedy, with the as-surance that it is incorous, an antidote to care, assanges grief, allevintes pain, does not interfere with duties of this day, speedly refiberes bile, and has been frequently known to reduce the most choleric to humour upon its first oplication: Besides, it reinvigorates the patient for meet day's business. All ages, seres and couldinous have here known to experience sonsible relief.
