WOULD respectfully announce to the citizens of Pittsburgh and vicinity, that he will remain in this place a few days. His unparallelled success in the treatment of a large majority of those diseases which have ever been regarded as incurable by the modern and more fashionable practice, has induced him to send forth this card to the afflicted portion of mankind. He has, within the past twelve months, imparted instructions to upwards of 2000 citizens of Tennessee, Virginia, North and South Carolina, Kentucky and Indiana; among them Physicians of high standing, and they all bear testimony of their entire satisfaction. He has also succeeded in giving permanent relief to nearly 3000 individuals, ample proof of which he can adduce.

It is not pretended that the concentration of the results of medical research emanates from one author, for be he ever so versed in medical science, he would come far, far short of so herculean a task. Dr. S. has been engaged since 1836 in selecting and purchasing all the popular and secret remedies which could be obtained in England, Ireland, Germany and the United States, from those persons who were eminently successful in curing some of the following disenses, viz — Rheumatism, Dysepsia, Sick and Nervous Headache, Painsor Weakness in Back or Joints, Paralysis, Neuralgia, Spinal Affections Epilepsy, Toothache, Contractions of the Mascles, Weak or Inflamed Eyes, Piles, Asthma, Cancer, Tetter, Foost Bite, Scrofiala, Ulcers, Mercurial Diseases of long standing, Female Disease's, General Debitity, &c.

For full instructions for the cure of all diseases originating in, or causing the derangement of, the Nervous System, so that those who receive instructions can act with equal efficiency as himself, his charge is only Ten Delars.

PHEUMATISM, GOUT, AND TIC DOLOREUX.—

said, to inform us that he had been afflicted for 15 years with Rheumatism or Gout, and occasionally with Tie Doloreux; that he had been frequently confined to his grom for months together, and often suffered the most intense and excruciating pain, but that lately he had been using Jayne's Alterative, from which he found the most signal and unexpected relief. He says he found the medicine very pleasant and effective, and that he now considers himself perfectly cured.—Philadelphia North American.

A FACT WORTH KNOWING.—A gentleman of Scrofulous habit, from indiscretion in his younger days, became affected with Ulcerations in the Throat and Nose, and a disagreeable eruption of the Skim. Indeed, his whole system bore the marks of being saturated with discasse. One hand and wrist were so much affected that he had lost the use of the hand, every part being covered with deep, painful, and offensive ulcers, and were as hollow and porous as an honey-comb. It was at this stage of his complaint, when death appeared inevitable from a loath some disease, that he commenced the use of Jayne's Alterative, and having taken sixteen bottles, is now perfectly cured.

The Alterative operates through the circulation, and purifies the blood and eradicates disease from the system, wherever located, and the numerous cures it has performed in diseases of the skin, cancer, scrofula, gout, liver complaint, dyspepsia pnd other chronic diseases, is truly astonishing.—Spirit of the Times.
