ILT From William Richards, M. D.—I feel constraint ed, from asense of duty, to make the following statement-conscious that it may appear unprofessional. Mr. Chas. Wade, of this city, was quite low with Palmonary Consumption, with which I had been treating with less than usual success. At his request, and that of his friends, I permitted him to try Dr. Dogers Liverwort and Tar; and I must confess that its effects were really surprising.—After using the second bottle, my visits were discontinued, and he was soon restored to health. I do conscientiously recommend my brother practitioners to prescribe this remedy in all pulmonary complaints which buffle the ordinary mode of treatment.

MESSES. HENDERSHOTT & STRETCH: GENTLEMEN—I take peasure in adding my testimony in favor of the excellent preparation called Dr. Parish's Chines Hair Cream; for, about two years ago my hair was very dry, bristly, and also find a coording to the prescription, it is now cleatic, soft, and firm to the head. Many balsams and oils were applied, each leaving my hair in a worse state than before. This Cream, however, has met my expectations. Just received and for sale by
