And I have sla ounty, Wisconsin, on the 6th instant, pass he defendant in thisase was in the habit of getmen the 19th of Fobruary, 1847—just four wir here was to embarrass and defeat the Ant Washington City—perhaps the only member congress that has any there—and am not the le ng drunk and aburg his wife and family. He w ter the dute of the Missouri recommendati hen Mr. Calhoun brought in his resolution trong resolutions recommending Col. Bearon, a onic party by divisions. For instance, by nomenced to find 1 in \$300 to keep the peace for he Democratic candidate for the Presidency nating Antimasons on a Whig ticket to divide id that Congress will pass any law to affe ne year, and in fault was committed.

Larceny.—Co. 128. Jacob Garvick, charged with aring it to be unconstitutional, insulting to tates, and subversive of the Union. I think Mefferson, and not Davy Wilmot, was the author ils proviso, and that it should bear his name, a is properly either there or here. 852 One of the resolutions is as follows: ntimasonic party, and thus insure the triumph his last resource was in State legislatures, and cot ty meetings. The firebrand resolutions were to have made no slave speeches in Congress vernor Johnson's early friends. His excellen Resolved. That we now enlist for the co he larceny orants, worth \$3,50 from Mr. Gold stein, on Lift street. The defendant was also do not mean to make them. Property is timi and slave property above all. It is not right ty meetings. The frebrand resolutions were to be adopted in State legislatures, and county meetings got up to stimulate the people. I omit other States. The resolutions were adopted in Missouri immediately after the failure of the Congress caucus, and after the publication of the address—about as soon as they could be known. The resolutions had laid in a torpid state all the winter. They slept during the time they should have been awake, and in my hands at Washington, if they were intended formy widness. They, were nassed after Congress adsuppose, thinks the defeat of Antimasons was Presidential campaign; that we inscribe upon our capper the name of THOMAS HART BENTON this proviso, and that respect to the character of the proviso, if it should be prescribed by congress fany, new territory, it think it will just remain what has been for sixty years—a constitutional provision made in pursuance to the constitution; and that, be as mode of supporting the Whig party, as the honest, the independent, as our leader, and un-turl that banner to the breeze, and that we will isturb the quietude of the owner—to harrass hivith groundless apprehensions. It is a priva erong to disturb a single individual, by making rraigned other charge of stealing some clothi led the Democratic, to which he then belonged. "Stead y and underinting support," says the Gov nas ocen in any function is and that, being so made in pursuance to the constitution; and that, bing so made it is binding upon all law abiding cit zens, and that its resistance by force and arms, mitarily, would be high treason against the Units States, and punishable with death by the lawsoft work on and work ever till the end is acco om Samu

Aho Court adjourned. ner, in his letter to a Convention which had j im believe, untruly, that his property is insecu t becomes a public evil to disturb a whole co inated Hays and Morrison on the same ticke unity. It creates a general uneasiness, genera nimosities, deranges business, and often leads ough they had once been opposing candidat A statement appeared in the local column Any For Forgery,—Stark Simmons was: Do You Want to Cure Your Horse. Do You Want to Cure Your Horse.

Read: The following is from the Overseer

of the Harlem Railroad Stables;

Or Want Cure All, and now certify that I have found
to the most extraordinary and caluable remedy ever put
upon a Horse, and would not be without it for any
unoney. It cures hard and sparin lumps, arising from
the collar, and le, &c., as by magie! Rub on a little of
the salve and the collar can't make a sore. In never can
to harm.

Overseer Harlem Railroad Stables.

For sale at the Depot of the Proprietor. he Post, yesterday, in regard to the death of Mr. hands at Washington, if they were intended form guidance. They were passed after Congress at fourted; and the county meetings immediately star ed. This was in accordance to the practice elst where; and, if they still go on, should conform to Accommac, which have at least the merit of ding a wrong thing in the right way. They propose a convention of the State, to be called at a specific session of the general assembly, to decide fundamentally on the course of action. That, at least consulting the people fairly, and giving them former nominated by an Antimasonic conv inimosities, derauges obsinees, and other hasty and improvident legislation. I have seen danger to the slave property of any State in the Union by the action of Congress, and cannot cribute to afarm the country by engaging in yesterday, on a warrant from Alderm and. With respect to the expediency of the achiere is no necessity for it, and there are prudentis casons why it should not be passed. California as lew Mexico are now free from slavery both by later than the control of the control ra B. Tibbets, which has done injustice to a Home intion; the latter by a Whig gathering. rest. Mow, as an accomplice of Joseph Dows and J. "Steady and undeviating support," althoug thic physician, which we take pleasure in cor nan in a heavy forgery which was committed Vbig convention had once nominated this same Di ting. The physician alluded to, says he merely city, in March last, and by which Tassy & Be nd by fact; and will lorever remain free from oth by law and in fact. As a general proposit lays for the purpose of dividing the Antimacons a ted the deceased as a personal friend, at his ow ussions which assert or imply danger. But I have a still higher reason for not engag lefrauded. The information which led to his necessary laws ought not to be passed; but if uring the triumph of the Democratic candidate; quest; but declined administering medicine, a est was given by Bowman, who has been in jai ough urged to do so by the deceased, owing to th nnecessary laws bught provision, having no pract in passed, it is an empty provision, having no pract al effect whatever. To make an issue against is etween the north and south, is unwise, for it is sue about nothing, and on the part of the south is usue made for defeat, for Delaware has instructed nocurre which Dr. Hays defeated by spurn me time awalting his trial. Dows, who it is said is f that form of government-and owe a great ith contempt the unworthy artifice of Masc culations of the hospital. Overseer maricus and the People of the Proprietor, H.
