MR. DALLEY—Dear Sir: While my son, 15 years old, was at work in the shingle manufactory of L. P. The blocks had just been removed from the var, containing a large quantity of boiling water. He fell forward, seading both hands and arms, all one side, and PASHIONABLE HEAD QUARTERS,

All of good quality, and one-tenth of the provisions fur nished, will be delivered to each Passenger every week with a sufficient supply of fuel for cooking.

Each ship in this line will be properly ventilated, and a good house over the passage-way leading to the Passengers apartment. The caboose and cooking-ranges ne had the mistoriane to slip and fall into a large var, used for the purpose of boiling block spreparatory to cutting. The blocks had just been removed from the vat, containing a large quantity of boiling water. He fell forward, scalding both hands and arms, all eds side, and one leg badly, and the other partiality. The scalds were so bad on his arms and leg that most of the flesh came off with his garments, and his life was despaired of hy both his physicians and friends.

Dalley's Pain-Extractor was procured as soon as p. s-sible (which was in about six hours) and applied, and which relieved him from all pain, preventing mifammation and swelling, and in a few days commenced healing his sores. There, appeared a general improvement, so much so that in three weeks he was removed to his father's house, distant about one mile and a hair.

We continued the use of the above medicine about two months, and we believe it was the means, under, Providence, of saving his life; and we would cheerfully recommend it in all similar cases us a safe and invaluable remedy. With seatiments of respect, I remain, dear sir, your most obedient and humble servant.

He says he found the most signal and the strength of the system of Serofulous habit, from indiscretion in his younger days, became affected with Ulcerations in the Throat and Nose, and a disagreeable eraption of the Skin. Indeed, his whole system bore the marks of being saturated with disease. One hand and wrist were so much affected that he had lost the use of the hand, every part being covered with deep, painful, and offensive ulcers, and were as hollow and porous as an honey-comb. It was at this stage of his complaint, when death appeared inevitable from a loath seame disease, that he commenced the use of Jayne's Alterative, and having taken sixteen bottles, is now perfect ly cured.

The Alternative operates through the circulation, and purifies the blood and eradicates disease from the system, wherever located, and the numerous carse it has performed in diseases of the skin, cancer, serofula, goui, liver complaint, dyspepsia pnd other chronic diseases, is truly astolishing.
