BURNS AND SCALDS. I CHALLENGE THE WORLD to prove, that indary one single instance, "Dalley's Magical Pain "Ex-tractor"-that is to say the GENUTRY article-thas ance its first introduction by me in 1623, up to this period, ever failed to cure the worst forms of BURNS and SCALDS! LIFE SAVED--AWFUL CASE OF SCALD! WHATTING, Nagara Co. N. Y. -February 28, 1548. ME. DALLEY-Dear Sir : While my son, 16 years old, was at work in the shingle manufactory of L. P. Ross; he had the misfortune to slip and fall into a large val; used for the purpose of boiling blocks preparatory to cut-ting. The blocks had just been removed from the vat, containing a large quantity of boiling water. He fell for-ward, scalding both hinds and arms, all ene side, and one leg badly, and the other partially. The scalds were so bad on his arms and leg that most of the flesh came off with his garments, and his life was despaired of by both his physicians and friends. Dalley's Pain Extractor was procured as soon as pra-

one leg bally, and ins other plantary. The same off with his graments, and his life was despaired of by both his physicians and friends. Dalley's Pain Extractor was procured as soon as pra-sible (which was in about air hours) and applied, and which relieved him from all pain, preventing inflamma-tion and swelling, and in a few days commenced healing his sores. There appenred a general improvement, so much so that in three weeks he was removed to his father's house; distant about one mile and a half. We continued the use of the above medicine about wo months; and we believe it was the means; under Provi-dence, of saving his life; and we would cheerfully re-commend it in all similar cases as a safe and invaluable remedy. With sentiments of respect, I remain, dear sir, your most obedient and humble sorvant.
