Death to the Rats.

Death to the Rats. It is a noisrious fact that of all evils, none are held in Bed-Bugs, and to have them exterminated, is the wish and desize of all. A preparation has been discovered by which those who wish, may become rid of this evil, which it fiests more or less every house in this city. This preparation has now been in use in Germany about syven years, (and in the United States for the last free,) and, by every one who has given it a trial, been promounced the best remedy they have ever used for ex-terminating Rats, Mice, Bed Bugs, Noaches, &c. The articles composing this composition are in them-sor, but when combined, creates a gas which explodes he stometh, and consequently destroys life in a few hours—a soon as thas affect the stometh, the raticles become neutralized, and will affect nothing thereafter; so that there can be no danger in its use, under source
