Mr. Dalley—Dear Sir: While my son, 16 years old, was at work in the shingle mannactory of L. P. The blocks had just been removed from the vating containing a large quantity, of boiling water. He fell forward, scalding both hands and arms, all one side, and one leg badly, and the other partially. The acades were so bad on his arms and leg that most of the flesh came off with his garments, and his life was despaired of by both his physicians and friends.

Dalley's Pain Extractor was procured as soon as possible (which was in about six hours) and applied, and which relieved him from all pain, preventing infammation and swelling, and in a few days commenced healing his sores. There appeared a general improvement, so much so that in three weeks he was removed to his father's house, distant about one mile and a half.

We continued the use of the above medicine about two months, and we believe it was the means, under Providence, of saving, his life; and we would cheerfully recommend it in all similar cases as a safe and invaluable remedy. DHEUMATISM, GOUT, AND TIG DOLOREUX.

A respectable gentleman called at our office, as he said, to inform us that he had been afflicted for 15 years with Rheumatism or Gout, and occasionally with Tic Boloreux; that he had been frequently confined to his room for months together, and often suffered the most ingense and excruciating pain, but that lately he had been using Jayne's Alterative, from which he found the most rights and excruciating pain, but that lately he had been using Jayne's Alterative, from which he found the most rights and unexpected relief. He says he found the medicine very pleasant and effective, and that he now considers himself perfectly oursed.—Philadelphia North American.

A FACT WORTH KNOWING.—A gentleman of Scrofulous habit, from indiscretion in his younger days, became affected with. Illecrations in the Throat and Nose, and a disagreeable eruption of the Skin.—Indeed, his whole system bore the marks of being saturated with disease. One hand and wrist were so much affected that he had lost the use of the hand, every part being covered with deep, paintly, and offensive ulcers; and were as hollow and porous as an honey-comb. It was at this stage of his complaint, when death appeared inevitable from a loath some disease; that he commenced the use of Jayne's Alterative, and having taken sixteen bottles, is now perfectly cured.

The Alterative operates through the circulation, and purifies the blood and eradicates disease from the system, wherever located, and the numerous cures it has performed in diseases of the skin, cancer, seconda, gout, liver complaint, dyspepsia pnd other chronic diseases, is truly astonishing.—Spirit of the Times.

DR. S. S. COOK, Piqua, Ohio, writes, March, 1848:

"I have used your Vernifuge, Carminative Balsam, and Expectorant, in my practice, for the last three years, and have been exceedingly well pleased with them, and never, as yet, to my recollection, failed of realizing my fullest expectation in their curative properties. Your other medicines I cannot speak of from experience; but, judging from those I have used, I doubt not but that they claim, and are entitled to all the confidence reposed in them, by those who have used time. I was formerly very partial to **** Vermifuge, until I became acquain ted with yours, which has my decided preference to any other now in use.
