SUGAR HOUSE, M Wright's Indians Vegetable Pills are one of the best of medicines for the cure of Fevers, because they purge from the body those morbid humors which are the cause of every malady incident to man.

In cases of fever, from four to eight of Wright's Indian Vegetable Pills should be taken every night; or, if the symptoms are violent, night and morning. This plan, if properly carried out, will, in a short time, subdue the most violent attack of fever; at the same time, the digestive organs will be restored to a healthy tone, and health and vigor given to the whole frame.

Betware of Counterfeit and Indiations.—Remember that the Original and Only Genuine Indian Vegetable Pills have the written signature of WILLIAM WRIGHT on the top label of each box.
