 Ma. DALLEY-Dear Sir While my son, 15 years old, was at work in the shingle manufactory of L. P. Rose, he had the misfortune to sip and fall into a large vary used for the purpose of boiling blocks preparatory to cur-ting. The blocks had just been removed from the vary containing a large quantity of holing water. He fell for-was at work in due shingle manufactory of the fell for-ward, scalding both hands and arms, all one side, and one leg badly, and his other partially. The scald weres so bad on his arms and leg that most of the flesh came of with his gaments, and his life was despaired of by both his physicians and friends. "Dalley's Pain Extractor was procured as soon as p ys-sible (which was in about six hours) and applied, and which relieved him from all pain, provenung inflamma-tion and swelling, and in a few days commenced healing his sores. There appeared a general improvement, so much so that in three weaks he was removed to his father's house, distant about one mile and a half. We continued the nse of the above medicine about two months, and we believe it was the means, under Provi-dence, of saving his life; and we would cheerfully re-commend it in all similar cases as a safe and invaluable remedy. With sendiments of respect I remain, dear sir, your most obedient and humble servant M. Dewoy, Losisa Dewey, J. S. Kelsey, Henry B. Pearce, Wm. Evans, E. Clark, L. P. Rose, Ira Newman, Wm.
