News by Telegraph Reported for the Morning Post. ADDITIONAL FOREIGN NEWS. By the telegraphic wires we have further accor brought by the Caledonia, as to the affairs on the HUNGARY AND AUSTRIA. An official bulletine has been jusued by the Austrians, announcing the compulsory retirement of the Hungarian forces from Ruab, whence they are said to have retired towards Aca, previous to the capture of the city. Georgey, by declining to make battle at Raab, and continuing his retreat towards Grun, will impose upon the Austrian and Russian army, the necessity leaving some 20,000 men before Gomorn. Nevertheless Georgey would never have abandoned Raab without giving battle, unless with the purpose of detaching a portion of his force against Laskenirtch. A second edition of the New York Herald says, that rumors prevailed in Paris, at the last date from that city, and came from the Assembly, that the Hungarians had obtained an immense advantage over the Russians, in the vicinity of Raab. The Russians are said to have lost 10,000 in the This news is almost too cheering to be true. PRUSSIA AND DENMARK. I have had physicians learned in the profession, I have ministers of the gospet judges of the bench, aldermen, lawyers, gentlemen of the highest erudition, and multitudes of the poor use it in every variety of way, and there has been but one voice—one universal voice, say, ing—'MALLISTER, YOUR OINTMENT IS GOOD!"
