How he won Her. We hope the moral of the following

sketch, will be productive of much good. Young men who are ambitious of success in the matrimonial line, should study well the grand secret. Our friend who furnished, the sketch says he sees no reason why it should not be true.

A young lady of excentric character, but of rare mental endowments and extraordinary personal attractions, had five suitors ner hand, she gave them notice to call upon her at a certain hour on a certain day; and each sinte his claims in the presence of the others. At the appointed time the lovers arrived. Four of them were confident of success; but the fifth had a downeast loat equally assiduous in their attentions. Unasuccess; but the fifth had a downcast look, and sighed when he gazed upon the object and sighed when he gazed upon the object

ENGLISH AND CLASSICAL ACADENTY. (Rooms in the 3rd Presbyterian Church.) THIS INSTITUTION IS DISTOND TO HE FIRMAMENT. THIS ACADEMY will be re-opened for the reception of Lade and young Gentlemen, on the First Honday, the 3d Day of September. The course of Study will embrace the common branch-es of an English Education, and the higher departments of the son the destined for College, is both comprehensive and German Languages. The government of the Institution will be mild, yet de-cided. Authority will always be austained by reason and affection; and to secure a proper regard to the general government of the School, our process is, first, we en-deavor to convince the pupil that what we require its reasonable; not; that it secures hieven personalinter-est, as wall as the godo of the whole. Punilabilitas, for mature, as to affect rather the mild than the body; not as satisfaction for the offence, but as a prevention to the securence of similar offence. Having found this mode of government preferable, it will be subject in future. Strict attention will be paid to the Physical, the Intel-tectual, and the Moral training of the innumes of this School. amiry Journal for each member Composing such alub ir the year than commanding at the very low price of Joents.

FAMILY JOURNAL.

Let the West Support the West. occasion they will infroduce NEW SONGS, BURLESQUES, DANCES, &c., &c. THE FAMILY JOURNAL will be issued the 5th day THIS FAMILY JOURNAL will be issued the 5th day of September next, and regularly on every Wednesday thereafter. The Family Journal is designed to be a Wes-tern Periodical, and as such it appeals to the West for support, but, it will not found its claims for support on its location, so much as on its intrinsic worth. And that all may judge in regard to this, we invite those who wish a sample number to send on their order immedi-netry, (post paid), and we will forward one with please ute. Doors open at 75 oclock. Concert to commence at 6. Tickets 35 cents.

attr, (post paid,) and we will forward one with pleas-ure-The Family Journal will be printed on a large sheet, and will contain more, and a greater variety of roading matter than, any periodical of the price, west of the mountains. It is not our design to publish long and wetters stories of our own or any other person's wri-ting. The stories which will gain admittance to our columns must be short, spirited and moralizing. The Family Journal will hold out inducements for the encouragement of Western writers, Moral, scientific, and romanics, but will act independently on all com-manications.

encouragement of Westein writers, Moral, scientific, and romantic; but will act independently on all com-munications. Poirrics will ministry arrivators. It will be our ob-ject to journalize on this subject; not, however, as a partizen; but as a trathful informant. The supporter of the Family Journal may reat assured that they will be daly informed of all the great political movements of the day is those and abroad? Acatement will have that space allotted to it in our columna which its importance demandia, and we promise our friends who are engaged in this important branch of business, the catlest information in regard to the im-provements-made in the storing, dc., dc., Gravanat Irrationers foreign and domestio of overy Mind will be found in the columns of the Family Journ and. The markets at home, and abroad, for money, pro-visions, stoles wild manufactures will be instituting chronicled. The Family Journal will be a surer source of late information on these points than any cantern weekly paper, to those traiding west; for this simple reason can news by tolegraph may be in the hands of the proder, while the castern weekly is tolling on its way over the Allegheniss. In one word render, we will spare no exerction or effy pense which will tond to make the Family Journal an indispensable and ever welcome fire-side companion; to the Fannya, the Morazy, the Mizcharar, us Folirri-cas, the Morazy, the Mizcharar, and the Lovies of purb nonaver.
