Treachery to Waiter Forward! We have a letter on file for publication, written by one of Gen. Taylor's office-holders of this city, to a high public functionary, calculated to destroy the political reputation of the Hon. WALTER FORwanp. It will be like a bomb shell in the Whig camp, smashing and tearing in all quarters, from Gov. Johnston to the Editor of one of the Taylor whig papers. The letter will show that there is a cabal, here managing all the appointments, and destroying the influence of every politician who does not recognize their authority.

There is a rumor affoat that Gov. JOHNSTO

is it honest and tair to keep the letter from the pub-is it honest and tair to keep the letter from the pub-lic 1 Let us have day light and fair play; and if we are defeated, why then we will submit without a mumur. We despise guerrilla warfare. We bink the Governor should be called apon, while in this city, by the workingmen, to know whether he has written a letter in regard to the ten hour system, and if so, to state its contents, publicly, for the benefit of all parties. The whigs surely should not object to this.

that the Committee is now full. Deacon White has signified his acceptance of the post of Kissing the ancient maidens; and has positively declined any interview stunding to the obnoxious flat meet at the Editorial room of Mrs. Swisshelm, on Thursday afternoon, at 3 o'clock. The Gazette will

please copy. We hear it stated that the Committee of ar-

rangement, for the reception of Gen. Taylor have grounds closed, because the Executive lost a shirt come to the conclusion that the President shall not come to the conclusion that the President shall not come to the conclusion that the President shall not come to the conclusion that the President shall not come to the conclusion that the President shall not come to the conclusion that the President shall not the conclusion the conclusion that the President shall not the conclusion never kept the proper from the public grounds for a shirt; and interfore they will be misrepresented; and therefore they will be misrepresented; and the talking. Some old fash-inter to come to come to free weeks. While we were tossed about of the opinion that President TAX-tong is not capable of making an intelligent speech, and all.

that arrogates to itself "all the intelligence" in the country.

killed-the ball passing through his head. Tariff, Wilmot Proviso, Ten Hour System, &c., &c. The " Earlier Presidents " never refused giving their opinions on the great questions of the day, and as the present Executive copies after those distinguished patriots, of course he will promptly reand to the interrogatories of his fellow citizens. There scems to be an effort on the part of the old hunkers in the whig ranks in this city to erclude the "original Taylor man" from all partici-

the people a parliament, and a concession that all were charming. aries should hereafter be natives of the Island, the Neupolitans only retaining the military offices. At a more distant day it was intimated that the national guard would be re-established. The terms were considered liberal and satisfactory, especially as the number of troops to remain on the teland was limited to five the
