The government of the Institution will be mild, yet decided. Authority will always be sustained by reason and affection; and to secure a proper regard to the general government of the School, our process is, first, we endeavor to convince the pupil that what we require is reasonable; next, that it secures his own personal interest, as well as the good of the whole. Punishments for misdemeanors when absolutely necessary, are of. such a nature, as to affect rather the mind than the body; not as satisfaction for the offence, but as a prevention to the recurrence of similar offences. Having found this mode of government preferable, it will be adopted in fature. Strict attention will be paid to the Physical, the Intellectual, and the Moral training of the immates of this School. Wright's Indian Tegtable Pills are one of the best of medicines for the cure of Fevers, because they purge from the body those morbid humors which are the cause of every malady incident to man.

In cases of fever, from Gout oe eight of Wright's Indian Vegetable Pills should be taken every night; or, if the symptoms are violent, night and morning. This plan, if properly carried out, will, in a short time, subdue the most violent attack of fever; at the same time, the digestive organs will be restored to a healthy tone, and health and vigor given to the whole frame.
