VERY LATE AND MOST IMPORTANT

Livzarcot, Aug. 25, 2 30 P. M.

Just as the Niagara was about to start we received the following telegraphic despatch from London:

It is said that the Hungarian affair is not yet set. ing and appropriate remarks made by John Hamiland ease, vigor and grace in meir movements and attitudes. Or, when, too, at a public examination, to hear them enunciate clearly, calmly, distinctly and harmoniously! And what, on the other hand, could tell more tatally against a system, than to man on his arrival at Wheeling from Pittsburgh: wife were arrested in New York yesterday, as pedlars in the street, the wife being dressed up in male The following gentlemen were appointed a comattire. The woman said to the Justice that the reamittee to receive the body of the Hon. Alex. Newson why she adopted the male attire was, that in witness in contrast to this picture, a group of this thin tale, bent and awkward boys and girls, with Bedil Isaiah Cooper, Cheirman; W. W. Shriver, A. D. Bedillion, C. W. Russell, D. M. Ginnis, M. Reilly, S. Clemens, W. G. Scott, S. Brady. O. W. Heiskell. bad weather, the petticoats were terribly in the way drawling or stammering voices, hesitation in the tone, in the manner and the looks? Surely this and with the pantaloons and boots she could get stère, the first of the season. along quite nicely. The magistrate informed ber the following telegraphic despatch from London:

It is said that the Huggarian affair is not yet setted; that Paskiowitsch and Haynau are quarrelling with each other; that the Inter objects to the conditions of the surrender, and that Russia will not suffer Austrian interference in the matter.

Rohl—Letters had fenched Paris, which state that the Pope had conferred on Gen. Oudinot title of Duke of Pineragio, and granted him a ponsion of 6,000 crowns, for his valuable services in the cause of the Holy See.

France—The committee of twenty-five appointed by the legislative Assembly to sit during the recess, met on Thursday; and after an important discussion, Gen. Changanier gave a very satisfactory account of the state of feeling in Paris, and expressed his confidence that peace and tranquility would be maintained.

Millar—Later accounts from Milan state that that city was in a disturbed state.

The celebration of the Emperor's birth-day had passed off in a most unsatisfactory manner. Riots had taken place; and stream persons were killed and wounded.

Hamburg, Aug. 22, d. A. M.

[From our Correspondent.]

This town continues quist, occupied as it is by the Austrian Monarchy, or the gradual extension of union, civilization, and freedom to races and provinces which a jealous and imperfect system of government has kept too widely apart.

In such a system of government Hungary would claim and exercise a large, and perhaps a proponderating part, and though we couless that we look with great doubt to the fulfilment of a scheme which requires so many sacrifices of oreinface and trailsubject is an important one, and entitled to serious consideration. We may have an odd prejudice, but in our intercourse with our fellow creatures, nothing impresses us so favorably as a frank, easy, Jon Bangen. This personage had a large ou Jok Barren. This personage had a large on dience last night. He bore down on all the Editors of this city, particularly Deacon White of the Gazette.

Province There was a puglistic encounter on Tuesday night, on the corner of Wood and Fifth streets, which lasted about ten minutes. No body was killed.

From the London Standard of May 24.

Nearly all the German journals consider the war with Hungary at an end; for they contend that whether the submission of the insurgent be general or confided to the troops under Georgey's command, it can be of little moment, since the fact, of the Dictator's surrender is undeniable, and this mun have such a moral effect upon the whole sarmy as to the submission of the insurence which makes the submission of the insurence that the submission of the in which had been set apart for their benefits if your being—and whatever may have been the profusion of your spring—or the warm tempers ment of your summer, there is a season of still ness or solitude which the benincence of heaven affords you, in which you may meditate upon the past and the future and the fitting Many papers, in various parts of the country, voice and the gait should not be overlooked or supposing it certain that Gen. Taylor will soon dis-[From our Correspondent.] neglected, for a due attention to these is almost as charge his present Cabinet, are speculating as to the This town continues quiet, occupied as it is by succession. The last we have seen we find in the ial as the grace, vigor, and education of the From a placard issued by the Senate it appears that Prussia declares that she does not intend to meddle with one-lowe affairs, but only to guard faggingt a renewal of any insults of the mob to the past and the future, and prepare yourself for the mighty change you may soon undergo. It is now you may understand the magnificent Louisville Democrat, and is recommended as fol-To the Boys, J. G. Bennet, of New York, Secretary of State. George D. Prentice, of Kentucky, Secretary Never marry a girl who is fond of being always language of heaven—it mingles its voice with that of Revelation—it summons you to these hours when leaves fell and the winter is gathering, Never marry a girl who is fond of being always on the street—who is fond of running to night mestings—who has a jewelled hand and an empty head—who will see her mother work and toil while she lays in the and reads novels or leigns sickness—who is ashamed to own her mother beagainst a renewal of any insults of the mob to the retorning Prussian, troops. At the same time she has indimated that she, can no longer look quietly on the machinations of the North Germany revolutionary party, of which she is pleased to designate Hamburg as the central point.

This notice leaves no hope of a speedy termination of the unwelcome visit of her troops, and the mast energetic representations against it by the Senate have proved of no avail.

The above placard causes general surprise, as we never knew of any North German Revolutionary party, or its head quarters being in this town. Our Fitz Henry Warren, Secretary of the Treasury. Traman Smith, Home Department.

John Norvill, of Michigan, Secretary of the Navy
A. C. Bullitt, Attorney General.

Parson Brownlow, of Tennessee, Postmaster Ge to that evening study which the mercy of heaven has provided in the book of salvation. And while the shadow valley opens, which leads to the about cause she dresses plain, never les rned grammar, of death, it speaks of that love which can comwas accustomed to the etiquette of the drawing fort and save, and which can conduct to these pass-tures and those still waters, where there is eternal spring for the children of God. room—who is always complaining that she can-not get money enough to dress like Miss So-and-so, or go to parties like Such-a-one, who wears This is placing three editors on the list, which we think rather too abundant for the profession. As some of them profess independence in politics, we some of them profess independence in politics, we hope they will not be called from their present position.

The true secret for commanding a competency with not be called from their present position.

Henny O'Relly, Esq., says the N. Y. Express, is in this city, making arrangements for the commencement of operations with his improved line of telegraph. He has taken the store formerly occupied by W. C. Little & Co., in the Museum building. shoes alip shod, or has a hole in the beel of her stocking and is too lazy to mend it. Should you get such a one, depend upon it, you will have ten Pennsylvania, western Virginia, and part of Ohio. The true and genuine American Oil is a dark green color. There are various counterfoits abrond—some Seneca Oil, some a mixture closely resembling the genuine, purporting to come from the Pitteburgh and Allegheny Dispensary Company; some black, some white, said to be made from the Original American Oil. D. Hale & Co., the only and sole proprietors of the true and original American Oil, BO NOT nor NEVER DID supply any persons who make the article called Extract of American Oil, said to be refined, clarified and concentrated. BEWARE of the worthless counterfoits, and OB-SERVE that Wm. Jackson, 89 Liberty street, Pittsburgh, head of Wood street is the ONLY and SOLE agent for the above mentioned District, and that none is genuine but what has the pampe and address printed on the label, and in the pamphlet in which each bottle is enveloped, and likewise notice that the proprietors address is printed in each pamphlet thus: "D. Hell & Co., Kentucky." Another way of detecting the counterfeits is the difference in the price. The genuine is sold invariably at 50 cfs. per bottle and no less, while some of the counterfeits are sold at various prices under.
