An Attempt to Galvanise Whiggery. The whig party having falsified every promise made to the people before the last Presidential election, now find themselves in a most unenviable position. Hundreds and thousands of honest men who were induced to vote for Gen. Taxton, under the belief that he was a " no party man," and ter. The Journal, however, takes up the subject would conduct the affairs of the government after and devotes an entire column of "words! words! the manner of "the earlier Presidents," now dis- words !" to justify the conduct of the Post Master throughout the country, afford abundant evidence that the Whig party is now in a weak and powthe Democracy of Pennsylvania will assume their sed, are to be entered alphabetically of advertised. If there is a newspaper pu

of these dotes has made its appearance in the

richest apecimen of humbuggery that has appeared since the publication of Gulliver's travels. gres for Bigham, and is varnished over with falsehood sophistry and special pleading, peculiar | oal) was Post Master in this city, the oncalled for

The Tariff," is mounted by these political trime thers, and rode to death. The same ridiculous new ideas or new arguments advanced. It is solete laws are hunted up, for the purpose of impoa mere repetition of the old stereotyped twaddle sing unusual burthens and taxes upon the public which is put in circulation on the eve of every merely for the benefit of bitter federal papers! election in Pennsylvania.

The panic mongers who are now making ridicudous complaints in relation to the operations of the present revenue laws, are a class of croakers may be passed by Congress, however just and nity answer the question. equitable it may be. Nothing short of an actual bition of all trade with foreign nations, after the fashion of the Chinese, will suit these; selfish and narrow minded political economists. Rather than the enormous profits of the manufacturers should be disturbed to the amount of a penny, lists would rejoice to see every ship that floats upon the ocean rot, at our wharves for want of employment, or sunk forever in the depths of the sea. The Tariff of 1846 has more than the depths of the sea. The Tariff of 1846 has more than the depth of the sea. The Tariff of 1846 has more than the depth of the sea. The Tariff of 1846 has more than the depth of the sea. The Tariff of 1846 has more than the depth of the will let a Fuller light, shine upon the met the expectations of its most sanguine friends. met the expectations of its most sanguine friends. While it has raised an abundance of revenue to meet all the expenses of the government and carry on a foreign war, at the same time it has t protected " and fostered all the great interests of the country alike Agricultural, Mechanical, Manufacturing and Mercantile, Under its equal operations, the country has prospered, and continues to prosper beyond all precedent. To attempt to dis-

political folly and madness.

We shall comment upon other features in this federal electioneering document again

Letters from Havana of the 3d inst., state that

about 2500 regular, troops had left that city for the eastern part of the island, and 4000 militia had been called into service, as before reported. It was remored that 8000 adventurers from the United States, with Gen: Lopez at their head, had actually disen-embarked in the vicinity of Pudrto Principe, and confidently asserted that the Calabrian regiment lationed there had propounced in favor of Lopes and killed their colonel. The government had sen roops around to Trinidad in steamers. A levy was made on men who had served before and been discharged. There was no vessel of war in Havana; brig Patriota, just arrived from Vera Cruz, was loaded with powder and provisions, and seat off at mid-Despatches from the U.S. consul at Havana are to the effect that The royalist colonel at Puerto Priecipe was shot dead by one of his soldiers, when about to cut down another for shouting for a repub-lic and Lores. The project of letting the slaves lease against the insurgents was said to be seriously entertained by the government. Commander Ran-

dolph lias withdrawn his blockade from Round Island, and Col. White went up to New Orleans on the bih and was enlisting more men for his expedition whether for Cubs or Yucstan time will show. The ship Meson, of Philadelphia, reached Valparajer on the 25th July, in 150 days from Phila-

tertaio so bigh an opinion as we do of Simon Dave, Esq., of Greensburgh, running as an opsition candidate for Prothonotary, after submitting his name to a regularly called Democratic of our friends. convention. Mr. Dawn is the last person living who we supposed would be guilty of such an act f ingratitude and disorganization. He has held office for many years under Democratic administrations, and was turned out by Gen. TATLOR purely on political grounds. The Democratic press of the whole country deeply sympathized with Mr. Dawn, and denounced the administra tion that thrust him from office on account of his Democracy. The Federal press, on the other hand,

abused him without stint, and lauded the act o Gen. Taylor as wise and patriotic. Mr. Dawn submitted his name to the Democ racy of Westmoreland county, as a candidate for a lucrative county office, but another Democrat was successful in securing the nomination. Like a good Democrat, he should have acquiesced in this nomination, and trusted to the judgment of his Democratic brethren of the old "Star of the West?! But, instead of doing this, we now find him out in a Card, announcing that he will run s an independent candidate for Prothonotary. "Your factory operatives (he says) amounting t

He was induced to pursue this course by the Whigs and a few disappointed Democrats about Greens burgh, for the purpose of defeating the regularly nominated Democratic candidate, Mr. Graham we can tell Mr. Drum, that the Whigs who are burgh, for the purpose of defeating the regularly We can tell Mr. Daum, that the Whigs who are now professing to be his friends, are in truth, his worst enemies; and are only using him as an instrument to carry out their own base and dishono able purposes. This he will find out to his

To the true and honest Democracy of Old West oreland, we would say, stick to your regularly minated ticket. It is altogether worthy of your coufidence and support. Frown upon the attempts of the Whigs and disorganizers to break in upon your hitherto unkroken ranks. However much you may esteem Mr. DRUM as a Democrat and neighbor, let him know that you have a higher regard for Democratic principles and the sacredness of Democratic organizations.

The Four Cents Letter Tax. The Gazette is eilent in relation to the four cents

letter tax imposed upon the citizens by the Postmas cover that they were grossly deceived, and hence, It is all a matter of bread and butter with the Jourthey have severed all connexion with the misers | nal, and it is quite natural that the Editor should ble band of proscriptionists who mismanage the make out the best case for himself and his whig friends here and at Washington. In the "Regula tions for the government of the Post Office Depart ment" we find the following:

203. At the end of every quarter all letters the minority, if not actually dissolved. That on hand, and which have not already been advert former proud and envisible position on the Second Tuesday of October, is as clear as the noon day sun. The Whigs see and know this, and therefore, they are now administering doses to their "lazy, good matured " followers, (as the Gazette calls before of the purpose of galvanizing them into them,) for the purpose of galvanizing them into they are destined to encounter in October. One of the purpose of the waterloo defeat they are destined to encounter in October. One of the destined to encounter in October. One of the parties concerned.

of these dates has made its appearance in the American and other federal whig papers of this city, in the chipe of an "Address to the Voters of Allegheny, Chirty, by the Antimasonic and Whig Committee of Correspondence The Address lister shall agree to insert the same at the about seeingles a little over a column, and is about the tate (two cents.)
The last here quoted has governed the predece

sors of Mr. Roseburg in office, and we believe gov erns every Post Master in the country. In Phila The Address bears evidence upon its face that delphia, Cincinnati, and other places, where more It is the production of one or both of those shining than one paper has been selected to do the Post elights of federalism, George Darsie and T. J. Big- Office advertising, but two cents were required to ham. It contains about the usual amount of fig. pay for the advertising. Identify that has been put forth by the federal party
that the fact was never known before? The univerprevious to escir election; for the last lifteen years, about mun and and a distress," is again thrust upon ic Administrations was to charge but two cents for the people to frighten aged matrons and disturb adverlised letters; but now, under the "Taylor Rethe repose of nervold old men. There are no form" WHIO ADMINISTRATION, it seems that old ob-

This letter tax business illustrates the true ch acter of federal whiggery. While professing to curtail the public expenditures, and lessen the hurden of the people, we find them running into the oppo site extreme. Is such a party worthy of the confi who will never be eatisfied with any Tariff that dence of the public? Let our tax ridden commu

81.300.00Q. Do the tax-payers know that the appropriation de-manded by the Locofoco Canal Commissioners for the public works the present year, exceeds ONE MILLION THREE HUNDRED THOUSAND DOL-

The above, remarks the Lancaster Intelligencer is a fair specimen of the chicanery and deceit of the whig press. The Editor of the Union has not the candor to tell bis readers for what purpose this appropriation is a ked. He does not state the fact that great and important improvements are in progres on the public works; and that the "wind and weather" have both contributed to injure these works during the past season. He only requests that is the people should elect for Canal Commissioner the candidate—Henry M. Fuller—who is pledged to Reform. Reform foresoth. Does the Union mean the Greform which was perpetrated under the Ric. ner and Stevens dynasty; a "reform" which almost

threatened the entire destruction of our good old Commonwealth. Or does it (the Union) mean that "reform" which is distinguishing the administration tion of Executive dignity, and a dishonorable application of Executive patronage. The public works were never conducted with more skill than at present. In every department there, is evinced a spirit of energy and industry which is worthy of all praise; and this effort, on the part of the Union to cast odium on the Canal Commissioners will be signally unsuccessful. The public works were never conducted with nissioners will be signally unsuccessful.

is It is announced with great rejoicing, by the Washington correspondent of the New York Tribiune that Robert Walsh, Consul to Paris, has been removed. We do not find fault with this act, but it looks very strange to see the Regency removing Mr. Walsh from a small office, because he would not go further than the Regency itself in support of Etwopean Freedom, while at the same time, they are Mr. Marsh, of Vermont, whose attack upon our

All Right in New York. The entire Democratic press of the State of New York.

York is now cordially engaged in the support of the union ticket. The terms " Hunker" and "Barn- certained to be good, and the amount of the yield burner" no longer are heard, to disturb the harmony

18,770 Taylor manority We have no doubt but that the Democracy will sweep the Empire State by at least 25,000 majority. And should not this bright prospect encourage the Democracy of the Old Keystone, and induce them o make increased exertions to redeem the State from the deep disgrace of Taylor Whiggery.

Father Mathew and the Yankee Girls. Father Mathew writes a long letter to the Mayor of Lowell, expressive of the delight and astonishment he experienced on his recent visit to that flourishing city. He expatintes at considerable length upon the amazing progress of American manufacmost of the factories he visited. We quote an ex-

wealth and industry, are features as nover has they are interesting, to the friend of buman progress. It was the boast of Italian royalty, that it annually bestowed a marriage downy on a few unportioned females. Into what paltry insignificance, does this puny speciman of regal munificence sink, when compared with the great modern fact, that many of the ladies of America, who, now, as wives and mothers advant the domestic sirels, have high the found thers, adorn the domestic circle, have laid the foun-dation of their wealth and comfort, not by a debasing dependence on Prince or Noble, but by the exercise of their own industry and labor in those extensive manufactories of which not only your city but the whole Republic may feel justly proud."

TAKING A RISE .- A gentleman just from Pitts burgh says that Pig metal sold in that city last wee for \$25 per ton. This is \$5 above what was offere last spring. Some of the merchants there say that it will probably rise to \$30 before next spring. As there is but little more than half the quantity usually made, now on hand, we will not be surprised to see the sales from first to last, at \$30. This is both im

There will be no important change in the price of pig metal until after the October elections; as the monopolists, who are generally active federal politicians, will pull the strings as tight as possible in order that they may produce a result favorable to themselves at the polls. The federalists invariably endeavor to get up a panie in prices before every The honest voters of Pennsylvania can no longer be humbugged by these tricky politicians.

TAXATION OF PUBLIC LANDS.—The National Inelligencer is indebted to a gentleman in the General Land Office for the information given below, which s important both to non-resident owners of public lands and those who propose to purchase, but which many of them may be ignorant of-that it is to say : By an act of Congress approved the 26th January 1847, the assent of Government was given to the several States admitted into the Union prior to the 24th April, 1820, to impose a tax or taxes upon all lands thereafter sold by the United States in said States from and after the day of such sale. The States admitted prior to that date are Ohio, Indiana, Illinois, Alabama, Mississippi, and Louisians. Indiana, has already by legislation, availed herself of this permission, and doubtlessly the others soon will.

Prior to the passage of this act lands paid for in cash sale, and those located by "Late Wer? Warrante until three years from date of natent. SENATE DISTRICT VIII .- Hon. CHARLES FABLEY of Schuylkill county, was on Friday last nominate as the Damperatic candidate for the Senate Dietric composed of the counties of Schuvlkill, Carbo-Pike, and Monroe. Mr. PARLEY is a firm; reliable and upright Democrat, and will bring considerable experience to the discharge of his Senatorial duties,
