ONTAINING NO MERCURY, or other dimeral. It has the power to cause all EXTERNAL SORES, SOROUS WOUNDS to discharge their putrid matters, and then heals them.

It is rightly termed All-HEALING, for there is scarcely a disease external or internal, that it will not benefit. I have used it for the last sixteen, years for all diseases of the chest, involving the utmost danger and responsibility, and I declare before heaven and man, that not in one case has it failed to benefit, when the praicant was in the reach of mortal means.

I have had physicians learned in the profession, I have ministers of the gospet, judges of the bench, alderment in the reach of mortal means.

I have had physicians learned in the profession, I have ministers of the gospet, judges of the bench, aldermen, lawyers, genilemen of the highest erndition, and multitudes of the poor use it in every variety of way, and there has been but one voice—one universal voice, saying—"M'ALLISTER, VOOR OINTAILENT IS GOOD!"

RHEUMATISM—It removes almost intimediately the inflammation and swelling, when the pain ceases. (Read the directions around the box.)

HEAD-ACHE—The salve has cured persons of the head-ache of tweivy years standing, and who had it regular every week so that vomiting took place. Ear. Ache, Took-Ache, and Ague in the Face, are helped with like success.

SCALD HEAD — We have cured cases that actually defied every thing known, as well as the ability of fifteen to twenty doctors. One man told us he had spent \$500 on his children without any benefit, when a few boxes of Olntment cured them.
