Missers Herrorestorre Spracer. General lake penature in adding my testimony in favor of the excellent preparation called Dr. Parish: Chiare Hair Gream; for about two years ago my hair was very dry, bristly, and disposed to come out; but having procured a bottle of the Gream, and used it abcording to the prescription, it is now clastic, soft, and firm to the head. Many balsams and oils were applied, each leaving my hair in a worse state than before. This Gream, however, has met my expectations.

As an article for the toilet, my wife gives it preferences over, all others, being delicately perfuned and not disposed to ranciality. The ladies, especially, will find the Chinese Cream to be a desideratum. In their preparations for the toilet.
