The Largest Insurance Company in the United States.
THIS Co. have issued about 40,000 Policies this year
thus far, and probably at the rate of 10,000 annually
in this State, mostly in the Eastern and middle parts—
The rates of this Co. are low, both for cash and the preo express the emotions which now swell my bosom would be a vain effort. I am now a private citizen From southern vales where Suwanee Rolls turbid to the tide. They tracked the wandring Lenape. Where northern waters glide. and the day of my political trials has probably passin the State, mostly in the Eastern and middle parts. The rates of this Co. are low, both for cash and the premium noise.

The cast to insure an ordinary risk for \$1000, will be premium note \$15 only. Cash 40 per cent. on the noise, which, with the policy and survey, make it about \$6 for five years; \$1,50 per year, two cents per week, or reckoning annually 10 cents on \$100.

This amount of cash, although small, has paid all losses promptly for several years; and, from the increasing usainess, the Directors are warranted in the belief that no tax upon the premium rate will be necessary. This Co. are prohibited by their Bye-Laws from inauring in blocks of expessed parts of villages, or from taking risks upon any kind of Mills, Shops or Machinery, which are considered hazardous, or from taking over \$2000 in one risk. The policies of this Co. are free from the objectionable conditions found in the policies of many other companies, out of which so much litigation arises. All matters of difference may be settled by arbitration in the Co., and who are, of course, members.
