It is rightly termed ALL-HEALING, for there is scarcely a disease external or internal, that it will not benefit. I have used it for the last sixueen years for all diseases of the chest, involving the umost danger and responsibility, and I declare before heaven and man, that not in one case has it failed to benefit, when the patient was in the reach of mortal means.

I have hall physicians learned in the profession, I have ministers of the gospel, judges of the bench, aldermen, lawyers, gentlemen of the highest cradition, and multitudes of the poor use it in every variety of way, and there has been but one voice—one universal voice, saying—"MALLISTER, YOUR OINTMENT IS GOOD!" Messes, Hendreshoff & Streeter: Gentleres—I take p.easure in adding my testimony in favor of the excellent preparation called Dr. Parish's Churchs Hair Cream; for about two years ago my hair was very dry, bristly, and disposed to come out; but having procured a bottle of the Cream, and used it according to the prescription, it is now cleatly, soft, and firm to the head. Meny balsams and oils were applied, each leaving my hair in a worse state than before. This Cream, however, has met my expectations. BEWARE OF NUMEROUS COUNTERFEITS.—None is genuine but what has the name and address of Wm. Jackson, No. 89 Liberty street, Pittsburgh, on the label, and in the pamphlet in which each bottle is enclosed. The names of the proprietors, D. Hall & Co., Kentucky, is also printed in the pamphlet. Another way of detecting the counterfeits, is the difference in price. The genuine is sold invariably at 50 cts, per bottle, and ao less; while some of the counterfeits are sold at various prices under.
