Besides, I'm bungry, and just now would take, Like Esau, for my birthright a—dozen of Oysters.

The Dowager, or the New School for Scandal; by Michael of the Court, or One in a Thousand; by G. P. R. Jance, Like Esau, for my birthright a—dozen of Oysters.

The Brow's Daughter, or the Tory o use of merchandise, or the equivalent for a service, is a tax which should be abandoned. There should be only two exceptions to this rule—Castom-house and legacy duties. possible the debts due by the Company, and by the respective Sequestrators, and report the same, with all their necessary to the correct distribution of the monsy.

And the Court direct the Auditor, to give anotics to all persons interested by advertisement in two newspapers published in Pittsburgh, and by at least twenty handbills put up along said road.

From the Record. HELAM HULTZ, Prothy. The Auditor above named will autend for the purposes of his appointment in the above case, at his office on Grant street, third door below Fourth street, Pittsburgh, on Franax, the 2d day of November, A. D. 1849, at 2 o'clock P. M. of said day; when and where all persons in terested as creditors or otherwise can attend if they see proper.

GEORGE K. GILMORE. much, both to please and admire." Having thus defined true taxation, M. de Girardin goes on to point out the advantages which would Scotia duty free, to make up the deficiency in the man Having thus defined true taxation, M. de Girar-"As it exists, ination encourages frand; as we understand it, it would suppress frand, and render it impossible. Our system places the tar-payer, or rather the insured person, in a state of constant equilibrium between two equal interests—one of which would induce him to value his property at a less rate, if the other did not lead him to value it at a higher rate; the consequence is, we get a necessari-Scientification of the line.

South Hranch, Pennaylvania Ganat.

Scaled Proposalz will be received at the Engineer's Office, in Tunkbandock, Myoming County, until sunset of Monday, the 12th day of November, 1849, for constructing portions of the following associous of Canal, to wit: Nos. 11, 12, 21, 27, 67, 69, 75, 98, 108, 111, 112, 113, 114, 133, 159, 102, 173, 174, 123, 133 and 164.

Also, for a quantity of Timber to be used in constructing Dams Nos. 2 and 3, respectively. Plans profiles, and specifications of the work to be let, will be exhibited at the office aforesaid three days prior to the expiration of the time for receiving proposals; and for further information reference may be had to M. A. Gamble, Esq., principal assistant Engineer upon the line.

By order of the Beard of Canal Commissioners.

octl2w61] Chief Engineer, N. B. Penna. Canal. rate, it the other did not lead nim to value it at a higher rate; the consequence is, we get a necessarily correct valuation. The tration is thus controlled by itself. It is mathematically exact and absolute. True for one, it is true for all, without distinction of it, and pays no more than what he ought.

"As soon as this system of taxation has been denoted by one accurate it will be as immediately to the slave printer Dickers, in the slave printe "As soon as this system of taxation has been adopted by one country, it will be so immediately and successively by all, for its advantageousness to each and to all will be manifest. Unity of taxation will be the crowning of the grand temple raised to peace and to liberty. By unity of taxation will disappear those commercial and industrial complications which are now looked upon as inextricable: the tangled knot of free trade will unite of itself; all artificial inequalities will fall, and natural inequalities alone remains the important question of labor and wages will make a decisive step towards its solution; credit will be multiplied; civilization, having ness to lina, to purchase himself and family to go to Libe-PITTSHURG HEDGE FARM NURSERY,
