ARREST OF SLAVE ABDUCTORS.—The "under-ground railroad agents" lately so active on the Eastern shore of Maryland, are already falling into the hands of the law. The Centreville Times, of Saturday, contains the following arrests: A negro fellow named Frisby was apprehended near Easton, on Tuesday last, and committed to Talbot county jail, for assisting negro slaves to es-cape from their masters. cape from their masters. Three negroes from Wilmington, Delaware, (with horses and vehicles for assisting slaves to runaway.) About 60 Ds. rumps : 140 Ds. shoulders, neither

Three negroes from wimington, Deinware, (with horses and vehicles for assisting slaves to runaway,) were taken prisoners in Kent county, a few days since. Unfortunately, two of the rascale excaped, but the other was safely lodged in jail, in Chestertown. A negro man, named London Gold, charged with assisting sloves to escape from their owners, was lodged in the Centreville jail on Tuesday last. Ua-fortunately for London, a runaway negro was found in his house, secreted between two beds.

-----Bar "Mr. Buchanan was the opponent of the war

(of 1812.) and of the war administration of the partriotic Madison."-Shippensbarg News. A more unblushing falsehood was never recorded n as many lines. Who does not know that Mr.

Buchana joined a volneter company in Lancaster, and, with a musket on his shoulder, marched on foot to Baltimore in defence of his country ? This is a fact, known to nearly every man in our State. The above assertion, therefore, is a wilful, premeditated falsehood—a naked, unvarnished lie.—Carlisle Vol.

August and continue to the end of October, as our August and continue to the end of October, as our purchases duping this period are generally one half of the whole year's operations, and speculators at terwards are left to the tender mercies of a con-tracted number of purchaser. Had the holders, this year, properly understood this very important law of the foreign demand, and come forward in August and continue to the end of October, as our purchases duping this period are generally one half of the whole year's operations, and speculators at terwards are left to the tender mercies of a con-tracted number of purchaser. Had the holders, this year, properly understood this very important law of the foreign demand, and come forward in August instead of holding back through that month, the market would have been relieved of several

tion" so strennously, and at the same time reduced the wages of his hands 25 per cent., so as to place them on a par with the "pauper laborers of Eq. rope."

Mavon's OFFICE.—Mayor Herron was unwell yes-terday morning, and again 'Squire Steele took the Bench. There were three negroes under arrest for a brutal assault and battery upon a yoang man who was, on the previous evening, passing along Smith-field street with two ladies. The ecoundrels had non provocation. One of them knocked him down and provocation. One of them knocked him down and he others were about to commence hostilities when the watchmen interfered. Information was made

against them and their case will have a bearing in A boy who had been enjoying the ceremonies curtomary on Hallow E'en was brought up by Jenkins, who charged him with upsetting store boacs and

tearing down signs. Though the boy is a varnisher's apprentice, he told a plain uncornished tale and the Alderman let him off and only exacted some fair. promises,

DO It is a little singular that the very beat people. are often guilty of the most gross inconsistencies. We will notice a fact, in illustration of this. The gentlemen who have charge of the re-building of inity Church, are all, as politicians, strong prates. famits? But, as collicens their actions do not review. famits? But, as collicens their actions do not review. onists! But, as citizens their actions do not co-intionists! But, as citizens their actions do not co-in-cide with their political professions. They sent to THE MANUFACTURERS OF IBON

cide with their political professions. They sent to New York for a Bell, rather than employ our own Fulton to make one, although he proposed to far-nish one as good in any respect as they could get in the east. The same gentlemen sent to Europe for some trimmings instead of encouraging home man-ufactures !

A JEW IN COURT.-In the Quarter Sessions yes-terday, an Israelite arose, put on his cap, and ap-FOREIGN EXCHANGE BOUGHT AND SOLD, to terday, an Israelite arose, put on his cap, and approached the Clerk's desk to be sworn. He refused o take off his cap until the oath was administered He said he believed in Moses, but not in Christ. As there was no book containing only the Old. Testament in the room, he took the Biblo used by the Christians, and the oath was administered to him in the usual way.

55 Sheriff Cartis took possession of the office yesterday. We regret that he has done so, for we 1 eferted Miller. But we are constrained to any in all candor that if popular opinion is not much mistaken Mr. Curtis is one of the best men in the cousty and will make a good officer.
