Messes, Hendershoot & Stretch, Pastor of the Presbyterian Church, Pulashi.

Messes, Hendershoot & Stretch, Pastor of the excellent prepartion called Dr. Parisk's Chines Hair Cream, for, about two years ago my hair was very dry, bristly, and disposed to come out, but having procured a boule of the Cream, and used it according to the prescription, it is now elastic, soft, and firm to the head. Many balsams and oils were applied, each leaving my hair in a worse state than helder. This Cream, however, has met my expectation. disturbed his rest and caused him to eject a quantity of thick mucus daily, which reduced him so much that he was very thin and weak. By using two bottles of the Oil he was completely cured of his cough, and got fit and hearty.

The above was communicated to Mr. Wm. Jackson, by Mr. James Morrison, of Frankford Springs.

This is to certify, that I have been afflicted thirteen years with the Phthisic, and about twelve days ago I had it very bad. I heard of the American Oil, and purchased a bottle, and commenced using it, by taking a small teaspoonful twice a day, and in three days I was entirely cured of my cough, and now feel as well as though I had aever had it.
