Petroleum or Rock Oil!

"There are more things in Heaven and earth
Than are dreamt of in our philosophy."

THE VIRTUES of this remarkable remedy, and the constant application for it to the proprietor, has induced him to have it put up in bottles, with labels and directions, for the benefit of the public.

The PETROLEUM or ROCK OIL is procured from a well in this County, at a depth of four hundred feet, is in pure and entire state, without any chemical change, just as it flows from Nature's Great Laboratory; and that it contains properties capable of reaching a number of diseases, is no longer a matter of uncertainty. There are many things in the means of nature, which, if only known, might be of great usefulness in alleviating suffering, and restoring the bloom of health and vigor to many a wasted frame. Long before the proprietor thought of putting it up in bottles, it had a reputation for the cure of diseases, and the constantly and daily increasing call for it, and several remarkable cures it has performed, is a sure indication of its future popularity and wide spread application for the cure of disease.

We do not wish to make a long parade of certificates, as we are conscious that the medicine can soon work its own way in the favor of those who suffer, and wish to be healed. Whilst we do not claim for it a universal application in every disease to which humanity is heir to, we can confidently say that it is unrivalled. Among those it may be enumerated—all diseases of the throat, lungs and breast, such as CHRONIC BRONCHITIS, CONSUMPTION (in its early stage) Asthma, and all diseases of the Liver, such as LIVER COMPLAINT, DYSPEPSIA, Jaundice, LIVER DISEASES OF FEMALES, Pain in the Side, Diseases of the Bladder and Kidneys, Pains in the Back or Side, Nervous Diseases, Neuralgia, Palsy, Rheumatic Pains, Gout, Sore Joints, Chronic Ringworm, Rheumatic Pains, Gout, Sore Joints, &c., &c. In cases of debility resulting from exposure, or long and protracted cases of disease, its medicinal qualities will bring relief. It will act as a general TONIC and ALTERATIVE in such cases, imparting tone and energy to the whole frame, and arousing dormant functions, opening the sluggish functions, which cause disease, and a broken constitution, and giving increased, and renewed energy to all the organs of living Life. In proprietor knows of several cases of PILES that resisted every other treatment, got well under the use of the PETROLEUM or ROCK OIL for a short time.

The public can be given to any person who desires it. None genuine without the signature of the proprietor.
