From the Boston Chronotype THE VERDICT.

We fully acquiesced in the very unusual sec oner's Inquest on the supposed r ains of Dr. Parkman was conducted, for the obvimains of Dr. Farkman was conducted, for the obvi-ous reason that a premature publication of the evi-dence might favor the escape of the real criminal, if he had not been already apprehended. No other argument for secresy could have any weight. But

ey, a check on the Bank of Lyan for \$600, and two promisory notes, one for \$18, and the other for \$32. In this society, Clough, was the chief clerk and book-keeper, and was thought well of by the firm, who vestigation from the public opinion would, with one ac-full particulars of this inconceivable dreadful attair full particulars of this inconceivable dreadful attair were disclosed, public opinion would, with one ac-coid, section the course which the presenting officer, the Coroner and the jury had thought proper to pursue. The jury man was exceedingly anxions to pursue. The jury man was exceedingly anxions continued so to do, but for the visit of Clough's first continued so to do, but for the visit of Clough's first continued so to do, but for the visit of Clough's first continued so to do, but for the visit of Clough's first continued so to do, but for the visit of Clough's first continued so to do, but for the visit of Clough's first continued so to do, but for the visit of Clough's first continued so to do, but for the visit of Clough's first continued so to do, but for the visit of Clough's first continued so to do, but for the visit of Clough's first continued so to do, but for the visit of Clough's first continued so to do, but for the visit of Clough's first continued so to do, but for the visit of Clough's first continued so to do, but for the visit of Clough's first continued so to do, but for the visit of Clough's first continued so to do, but for the visit of clough's first continued so to do, but for the visit of clough's first continued so to do, but for the visit of clough's first continued so to do, but for the visit of clough's first continued so to do, but for the visit of clough's first continued so to do, but for the visit of clough's first continued so to do, but for the visit of clough's first continued so to do, but for the visit of clough's first continued so to do, but for the visit of clough's first continued so to do, but for the visit of clought's first continued so to do, but for the visit of clought's first continued so to do, but for the visit of clought's first continued so to do, but for the visit of clought's first continued so to do, but for the visit of clought's first conti We are informed that notice was given to twenty four Puddlers and Boilers, in one establishmen that they should leave the houses they occupy all astonished to discover that the fires had been

officer, the Coroner and the jury had thought proper to pursue. The juryman was exceedingly anxious until a few months past, and would have possibly until a few months past, and would have possibly continued so to do, but for the visit of Clough's first cousin, a stout, healthy looking young woman, of about seventeen years of age, of good proportions, about seventeen years of age, of good proportions, and well favored. The visit was not of long duration, before an in-timacy took place between them of a very improper character. This secret attachment continued be-tween until the 28th of October, when Clough, prompted by the temptations field out by his consin, consented to elopo with her, and abandon his own wife. He did so, and in order to support themselves put out. The workers have not been paid off. They are therefore, out of work, out of houses and ou of pocket. If they will submit to a reduction in their wages, all will be right-they may stay in the active.

John L.
