COBB ELECTED!

We have good news for all parties, under the telegraph head. We will not record the success of Hon. Howell Cobb, as a Democratic victory ; but as a victory over faction.

The House will no doubt be fully organized to day Therefore, we shall eagerly look for the resident's Message. Our readers may expect it

AN EVENING IN CALIFORNIA. Don't startle at this caption, kind reader | We have not as yet "walked the golden streets" of El Dorado. We have only been spending an evening in reading a file of papers, printed in San Francisco Galifornia; sent us by our old friend Col. MEREDITH We have never enjoyed a pleasanter treat. "The Pacific Weekly News," is a large imper

al sheet, and resombles in typography the old pa- above specimens of California literature, law and pers of the States. It contains about nine columns politics, we certainly are. And here we are willing of advertisements, set in type about the size of those | the chapter shall close for the present. used in the reading columns of the Post. They are mostly business cards and for the sale of real estate. The price of the paper is \$12 per annum. Legal and official advertisements are published at \$6 for each square of 10 lines the first insertion, and \$3 fo, | sion, sends to the Cincinnati Enquirer the followeach subsequent insertion. The "Alta California is B paper of the same size, and is printed on the same between Mr. Gray and Col. Weller:

pleasant intelligence to his numerous friends in Ohio, but it will doubtless reach the States, and The papers before us are mostly filled with th occeedings of the State Convention, and articles in relation thereto, But besides all this, they contain possibly in a prejudiced shape, therefore inducing commercial intelligence, local items, police stetch-es, scientific essays, poetical efforions, Ser. So es, scientific essays, poetical effosions, &c., &c.

It seems that politica have been introduced into dangerously, by Mr. Gray, the U. S. Surveyor. The California, and the distinctions which exist in the latter had just come in (with Col. Collier) from States are carried there by the emigrants. The Pa- an exploring trip across the country about half cific News, although professing to oppose partyism, way to the Colorado, and had reported that he had discovered a new and favorable route over, which seems to be considerably linged with whiggery, and is the warm advocate of the election of Thomas is much nearer than the old one. Col. Weller in presence of a large number of friends was jesting with Mr. Gray, in the best good humor, ridiculing Rotler King to the U. S. Senato, The Alta Califor nia, on the other hand, leans towards the Demo the idea of his having made any new discovery. Gray was intoxicated, and taking everything in eratic side in politics. This paper of November 1st contains the following police of the mass meeting o earnest, pronounced the Colonel's institutions as false. When remonstrated with; he became more the friends of Mr. King :

emphatic, and again, in a more obnoxious manner declaring it a *falsehood*. On repeating it a third The political fires which have slumbered long re main pent ap no more. Inconsistent with the char-acter of the inhabitants, the nature of their occu-pation and the immediate requirements of Chilfor-nia as it may appear, our clutens have is mass meet-ing revived political distinctions, zealonsy advoca-red extreme if not suffer means and algorized in time, the Col. struck him a blow, and parties inter-fered, in which short interval Gray drew a pistol and fired, before any one could defeat his purpose the Col. narrowly escaping a fatal wound. He is doing very well, and under "Old Medicine's" care, ted extreme if not ultra measures, and plunged in-to the unficiliting support of party principles, aban-doning in many instances, business pursuits, and wholly forgetfal of the chief desire of their lives, will soon be about again.
