MY stock of Fall and Winter Clothing is now ready,
amounting to upwards of \$100,000, which I think
will be found to by one of the choicest selections of garments ever got up in this or any other city in the Western country.

My purchases having been all made early, I have
therefore avoided the late advances made in almost all
descriptions of Woollen Goods, and am therefore enthe menufacturing and style of my garments, so that the
very lowest priced as well as the finest are got up in a
style and elegance not to be surpassed. Hundreds of,
new customers, both wholesale and retail, have been
attracted as much by the superior make of the clothing
as by the lowness of my prices.

The proprietor would particularly call the attention of
all dealers in Clothing to his present stock, believing
that upon examination of the quality and prices of his
Goods they will be induced to purchase at his establishment. The wholesale room now contains upwards of
price.

The proprietor is now determined to myke this desays. The river has fallen 8 feet. There 10 inches in canal. The weather is pleasant, he Washington and Fleetwood passed up. ADJES are cautioned against using common prepared Chalk. ADIES are cautioned against using common prepared Chalk.

They are not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow and unhealthy the skin appears after using prepared Chalk!

Besides, it is injurious, containing a large quantity of Lead!

We have prepared a beautiful vegetable urticle, which we call JONES' SPANISH LILY WHITE.

It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, living white; at the same time acting as cosmetic on the skin, making it soft and smooth. Statement of Mr. A. Lang, Baker, No. 338 Pearl street, N. Y.—A few days before last Christmas, I was taken unwell, and soon commenced bleeding freely at the Lungs. I called in a Homoopuhic physician, but his medicine did not seem to help me. I read your advertisement, and thought I would try Dr. Rogers' Syrup of Licertoort, Tar and Canchalagua. Before I had taken up the third bottle, my bleeding had stopped, my Cough was gone, and I felt as well as usual. My health is now good. I consider it a most excellent medicine, and cordially recommend it to my friends. [This statement was made to the Proprietors, March 12th, 1850.]
