LOCAL MATTERS.

UNFORTUNATE The office of Doctor Gallaher was entered on Friday evening, while he was at supper, and a bird cage, with a bird in it, a pair of pants, a coat, and some other articles, were taken from it. This is the second time, within two or three weeks, that his office has been robbed-ans other bird and cage was taken from it a couple of weeks since. The thief is evidently a game one, and should be caged. It is very clear that he has the ran of the Dr.'s office, at least a sort of bird's-eye view of it.
