Petroleum or Rock Oll "There are more things in heaven, and earth Than are dreamt of in philosophy."

THE VIRTUES of this remarkable remedy, and the constant application for it, to the proprietor, has induced him to have it put upin bottles, with labels and directions, for the benefit of the public.

The PETROLEUM or ROCK OlL is procured from a well in this County, at a depth of four hundred feet, is a parc unadulterated artiole, without any chemical change, but just as it flows from Nature's Great Laboratory! That it contains properties capable of reaching a number of diseases, is no longer a matter of uncertainty. There are many things in the aream of nature, which, if known, might be of vast usefulness in alleviating suffering and restoring the bloom of health and vigor to many a sufferer. Long before the proprietor thought of putting it up in bottles, it had a reputation for the cure of disease. The constantly and daily increasing calls for it, and several remarkable cures it has performed, is a sate indication of its future popularity and wide spread application in the cure of disease.

We do not wish to make a long parade of certificates, as we are conscious that the medicine can soon work its way into the favor of those who suffer and wish to be beated. Whilst we do not claim for it a universal application in every disease, we unhesitatingly say, that in a number of Chronic Bisaness it is univarilled.
