For the complete cure of Coughs, Colds, Influenza, Asthu Bronchitis, Spitting of Blood, and all other Lung Complaints tending to CONSUMPTION. Complaints tending to CONSUMPTION.

This syrup contains no Optum, Calema, or any mineral whatever, but is composed entirely of those Roots, Herbs, and vegetable substances which nave a specific influence upon the Lungs, and their connected organs. Its immediate effect is to allay all irritation; and gently remove the phigms and other morbid secretions from the Throat and Air Passages; thus relieving the Cough, by subduing the inflummation and other causes which give rise to it. It also stimulates and imparts a healthy tone to the Lungs themselves, thereby enabling them more thoroughly to remove from the blood those impurities and diseased particles, which, if retained, do so, much mischief in the system, and lay the foundation for incurable CONSUMPTION. It also exerts a decided action upon the skin, and easists nature in expelling, through the Exhalents, much of that morbid matter which would otherwise be thrown back upon the Lungs, thus relieving other medicine of like nature, now before the public.

After being given up twice by eminent Physicians!

Meistr. A. L. Scovill & Co.—I herowith forward to you
a Certificant of a Cure, effected by your Compound Syrap
of Liverwort, Tar and Canchalagua. The Cough and
expectoration was of fourteen months standing, and had
haffled the skill of several of our eminent physicians in
New York, Albany, and Cooperstown. I am the person
in whom the cure was effected, and as I had previously
no faith, in patent medicines, I have since tried it on
others, and have become satisfied of its value. Mine
was as great a cure as was ever performed, as I had,

Statement of Mr. A. Lang, Baker, No. 338 Pearl street, N. Y.—A few days before last Christmas, I was taken unwell, and soon commenced bleeding, freely, at the Lungs. I called in a Homeopathic physician, but bis medicine did not seem to help the I read your advertisement, and thought I would try Dr. Rogers' Syrup of Licerrors, Tar and. Cannelatagua. Before I had taken up the third bouls, my bleeding, had stopped, my Congde was gone, and I felt as well as usual. My health is now good. I consider it a most excellent medicine, and cordially recommend it to my friends. [This statement was made to the Proprisons, March 12th, 1850.]
