Cough and Discase of fourteen months standing Curet,
After being given up twice by eminent Physicians!

ALESNY, June 9th, 1849.

MESSTS. A. L. SCOVILL & Co. — I berewith forward to you of Complete of a Certificate of a Cure, effected by your Compound Syrup of Liverwort, Tar and Canchalagua. The Cough and expectoration was of fourteen mentis standing, and had haffled the skill of several of our eminent physicians in New York, Albany, and Cooperstown. I am the person in whom the cure was effected, and as I had proviously, no faith in patent medicines. I have since tried it on others, and have become satisfied of its value. Mittee was as great a cure as was ever performed, as I had, during my sickness, them given up twice by my physicians. I have now commenced my business, after taking, I think, about eight boilits.
