[dec37:1y] HE PITTSBURGH BOARD OF TRADE AND MERCHANTS' EXCHANGE. Thes Perils of the Lungs.

These delicate organs are aways in peril, and liss in peril when they do not properly perform their functions. If inflammation interferes with their regular senior, the blood is imperfectly purified, the circulation is irregular, and the whole system suffers. In the combined mair, expectorant, and healing properties of Dr. Reger's Syrup of Licerwoot, Tar and Canchalagua, lies the remedy for all this mischief. DELAY IS DANGEROUS. While the patient is considering, tubercless may be forming, for, worse allil, may be burning in the Lungs. But if this remedy be promptly applied, the Cough, Cold or Catarrh is at once removed, and to use the words of Daniel Webster, the sufferer "breaks freer and deeper." The only thing required is promptitude. See pamphlet in the hands of Agents, and advertisement in another column. The Perils of the Lungs. WE have associated J. Dr. D. Jagne, Philadelphia: My Dear Sir—We are now in great want of your Medical Preparations. Your CARMINATIVE BALSAM is an invaluable Medicine in this country in Bowel Complaints, and has been used in all our Missions with the most gratifying success. I have known it in many cases to not like a charm. Your SANATIVE PILLS are my Sheet Anchor. The best medicine for my Liver Complaint and pain in the side, that I have everused. They are in great demand, and we are entirely out of them. We need five hundred boxes of them. Bro. Beecher says we could use a thousand boxes yearly among our people to great advantage. I have used your TONIC VERMIFUGE as a Tonuc in INTERMITTENT FEVER, with the most complete success. I think it was once the means of anyingmy own son: Durlingmy travels among the churches the past senson, I found a whole village suffering under a prevailing influenza, attended with Coughs of a most violent character. To fenr experted I had not had a dozen or two of YOUR EXPECTORANT to administer to them, for I believe from what I have seen of its effects, that it would have been just the thing for those poor peoyle. I presume you have not hitherto had an idea to what an extent your medicines are used in all our Missions. Affectionately yours, E. L. ABBOTT For sale at the Pekin Tea Store, 38 Fish st. Statement of Mr. A. Lang, Baker, No. 588 Pearl street, N. Y.—A few days before last Christmas, I was taken unwell, and soon commenced bleeding freely at the Lungs. I called in a Homosopathic physician, but his medicine did not seem to help me. I read your advertisement, and thought I would try Dr. Rocert' Syrtip of Livertont, Tar and Canchalagua. Before I had taken up the third boule, my bleeding had stopped, my Cough was gone, and I felt as well as usual. My health is now good. I consider it a most excellent medicine, and cordially recommend it to my friends. (This statement was made to the Propristors, March 12th, 1850).
