Cough and Disease of fouriest months standing Curid. After being given up twice by eminent Physicians!

Alanny, June 9th, 1849.

Mestr. A. L. Scovill & Co.—I herewith forward to you a Certificate of a Cure, effected by your Compound Syrup of Liverwort, Tar and Canchulagua. The Cough and expectoration was of fourteen months standing, and had buffied the skill of several of our eminent physicians in New York, Albany and Cooperstown. I am the person in whom the cure was effected, and as I had previously no faith in patent medicines, I have since tried it on others, and have become satisfied of its value. Mine was as great a cure as was ever performed, as I had during my siskness, been given up tusies by my physicians. I have now commenced my business, after taking, I think, about eight boults.

Yours, respectivilly, THOS. C. FAULDER.

BLEEDING AT THE LUNGS CURED.

Statement of Mr. A. Lang, Baker, No. 388 Pearl street, N. Y.—A few days before last Christmas, I was taken unwell, and soon commenced bleeding freely at the Lungs. I called in a Homosopathic physician, but him endicined in otseem to help me. I read your advertisement, and thought I would try Dr. Rogers' Syrup of Liverwort, Tar and Canchalagua. Before I had taken up the third bottle, my bleeding had stopped, my Caugh was gone, and I felt as well as usual. My health is now good. I consider it a most excellent medicine, and condition to the Propristors, March 12th, 1850.

IIT This whole paper might be filled with letters similar to the above, from those the have been stream or the Medicine, and letters relating to Agencies, should be addressed, post-paid.
