This syrup contains no Opium, Calomel, or any mineral whatever, but is composed entirely of those Roots, wherebs, and vegetable substances which nave a specific influence upon the Lungs, and their connected organs. Its immediate effect is to allay all irritation, and gently remove the phlegm and other morbid secretions from the Throat and Air Passages; thus relieving the Cough, by subduting the influentation and other causes which give rise to it. It also stimulates and imparts a healthy tone to the Lungs themselves, thereby enabling them more thoroughly to remove from the blood those impurities, and diseased particles, which, if retained, do so much mischisf in the system, and lay the foundation for incurable CONSUMPTION. Cough and Disease of fourteen months standing Cured, After being given up twice by eminent Physicians!

Messrs. A. L. Secould & Co.—I berewith forward to you a Certificate of a Cure, effected by your Compound Syrup of Liverwort, Tar and Canchalagua. The Cough and expectoration was of fourteen months standing, and had baffled the skill of several of our emineat physicians in New York, Albany and Cooperstown. I am the person in whom the cure was effected, and as I had previously no faith in patent medicines, I have since tried it on others, and have become satisfied of its value. Mine was a great a cure as was ever performed, as I had, during my sickness, here given up twice by my physicians. I have now commenced my business, after taking, I think, about eight boules.
