Manufacturers of Pheenix Pire Proof Safes, Second street, between Wood and Smithfield Owere called upon by Messrs. Lapt encout & Barr, to witness an honest and fair test of one o, their Pheenix Safes. The furnace being prepared, the Safe wa-s placed inside thereoi, with books, papers and some money; when the door of the Safe was closed and the fire kindled at . quarter past 2 o'clock, and in a short time the Safe was red kot, and continued till half past 6 o'clock, being about four and a half hours, when the committee expressed their saisfaction that the time occupied with such heat was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money safe. The heat was so great as to melt of the brass mountings.
