(1) This is to certify that a man came to my house in the fall of 1849, by the name of Henry Els, in a very destitute condition, and was almost totally blind. He had been a soldier in the British service. He was then taken to one of the best Hospitals in London, and had the best treatment that London could afford, and could not be restored to sight; and was discharged as incurable. I had heard so much about the Petruleium, I thought I would try some of it on this man.
