INTERSTING CORRESPONDENCE.

Dr. Wm. Y. Banks, of Xenia, Ohio, a highly respectable Druggist in that delightful village, has informed us
that the sale of Wistar's Balsam of Wild Cherry is unparalleled. The demand for it is so great that he can
scarcely keep himself supplied with it. He has had in
his store medicines for lung affections. Some of those
were esteemed good and some gave temporary relief.
But since he has had Wistar's Balsam of Wild Cherry
a number of the most serious cases were completely cured by its use. "I never sold a medicine," says the doctor, "in which I had that entire confidence that I had in
this?" r cunes! Wherever Wistar's Balsam of Wild Cher-T CURES! Wherever Wistar's Balsam of Wild Cherry is introduced, it at once uttains that high reputation it so richly deserves. What can prevent its sale when on every hand can be witnessed its wonderful cures? The worst case of Ashma, recent and dangerous Coughs (and also those that are of long standing.) Bronchitis or Consumption (in its early stages) are always cured by this remarkable medicine.

HEREDITARY CONSUMPTION!

Cured by Wistar's Balsam of Wild Cherry.

PLESANT RIDGE, Hamilton co. O., Sep. 27, 1850.

J. D. Park—Dar Sir. I take the liberty of advising you of the benefit that I have derived from the use of Dr. Wistar's Balsam of Wild Cherry. I was prostrated by that terrible scourge, Consumption, in May last: The ninck was truly horrifying to me, for ave of my family, I was under the care of a skilled physician from the time I was taken sick until about six weeks since, being then about helpless, and my friends considering my case hopeless, or at least beyond the reach of our physician's skill, advised the use of Wistar's Balsam of Wild Cherry.

I have taken four bottles of the medicine, and now consider myself perfectly well. I make this statement to induce others that are afflicted as I have been to make trial of Wistar's Balsam of Wild Cherry, which remedy has, under the blessing of Providence, restored my health.

J. D. Park—Plar Str.: As I haves a deep commisseration for the afflicted, permit me to give you a brief history of my afflictions, and the benefits derived from the use of "Dr. Wistars" Balsam of Wild Cherry." In July, 1844, I was attacked with a fever of a typhoid character, which left me in a very debilitated state, when in the following winter I was taken with a severe cold, which reduced me to such an extent as to give me the appearance of a confirmed consumptive. I labored under a severe cough, expectorned a great deal, and was troubled with cold feet and night swents. I also frequently raised blood from my lungs. I continued in this state, gradually sinking under the disease, until January, 1847, until I was again attacked with fever. My extremities, especially my feet, were constantly cold, and almost

BLEEDING AT THE LUNGS CURED.

Statement of Mr. A. Lang, Baker, No. 338 Pearl street, N. Y.—A few days before last Christmas, I was taken unwell, and soon commenced bleeding freely at the Lungs. I called in a Homeopathic physician, but his medicine did not seem to help me. I rend your advertisement, and thought I would try Br. Rozers' Syrup of Liverson', Tar and Canchalagua. Before I had taken up the third bottle, my bleeding had stopped, my Cough was gone, and I felt as well as usual. My health is now good. I consider it a most excellent medicine, and cordially recommend it to my friends. [This statement was related to the Proprietors, March 12th, 1850.]
