INTERESTING CORRESPONDENCE.

Dr. Wa.Y. Banks, of Kenia, Ohio, a highly respectable Druggist in that delightful village, has informed us that the sale of Wistar's Balsam of Wild Cherry is unparalleled. The demand for it is so great that he can scarcely keep himself supplied with it. He has had in his store medicines for lung affections. Some, of these were esteemed good and some gave temporary relief.—But since he has had Wistar's Balsam of Wild Cherry a number of the most serious cases were completely co-tor, 'in which I had that entire confidence that I had in this."

in this."

"IT CORRA!. Wherever Wistay's Balsam of Wild Cherry is introduced; it at once attains that high reputation it so richly deserves. What can prevent its sale when on every hand can be witnessed its wonderful cures?! The worst case of Asthma, recent and dangerous Coughs (and also those that are of long standing.) Bronchitis or Consumption, (in its early stages) are always bured by this remarkable medicine.

HEREDITARY CONSUMPTION!

Cured by Wistar's Balsam of Wild Cherry.

PLEARNT RIDER, Hamilton co. O. Sch. 27, 1859. Cured by Wister's Balsam of Wild Cherry.

Pleasan Ridde, Ramilton co. O. Sep. 27, 1850.

J. D. Park—Dear Sir: I take the liberty of advising you of the benefit that I have derived from the use of Dr. Wister's Balsam of Wild Cherry. I was prostrated by that terrible ecourge, Consumption, in May last! The attack was truly hortifying to me, for fave of my family, (my brothers and sisters.) had died of Consumption. I was afflicted with acarly all of the worst features of the discase: I had a distressing cough, and expectorated a greatdeal of blood, hectic fever, severe, pains in the side and cenest, cold chills, alternating with flushes of heat and copious night sweats.

I was under the care of a skilled physician from the time. I was taken sick until about six weeks since, being then about helpless, and my friendsconsidering my case hopeless, or at least beyond the reach of our physician's skill, advised the use of Wister's Balsam of Wild Cherty.

I have taken four houles of the medicine, and now I have taken four bottles of the medicine, and now consider myself perfectly well. I make this statement to induce others that are afficied as I have been, to make trial of Wistar's Balsam of Wild Cherry, which remedy has, under the blessing of Providence, restored my health.

until I was again attacked with fever. My extremities, especially my feet, were constantly cold, and almost losttheir feeting. Under these circumstances it may be truly said that I was a living skeleton. I finally determined to quit taking medicine prescribed by physicians and try Dr. Wistar's Balsam of Wild Cherry, and from the first week that I commenced taking it lean date a gradual recovery. I continued its use six months, at the end of which time I was cured, and have enjoyed good health ever since, and cheerfully recommend the Balsam to all those afflicted with diseases of the lungs, and would say to those commencing its use not to be discouraged, if two or three bottles in not effect a cure, but persevere as I have done, and I have no doubt but nine cases out of ten will be blessed with renewed health as I have been.

Important to these Afflicted with Diseases of the Lungs, and Breast.

Will mirables wave reduce? Meas and almost and Breast.

I have been the Afflicted with Diseases of the Lungs and Breat.

Will miracles never cease? More evidence of its surpassing health restorative virtues!

[From Dr. Baker, Springfield, Washington co., Ry.]

Messes. Sanford & Park. I take this opportunity of informing you or a most remarkable cure performed on me by the use of Dr. Wistar's Balsam of Wild Cherry. In the year 1840? I was taken with the infiammation of the bowels, which I labored under tor six weeks, when I gradually recovered. In the fall of 1841 I was attacked with a severe cold, which scated itself inponing lungs, and for the space of three years I was confined tomy bed. I tried all kinds of medicines and every variety of aid without benefit; and thus I wented along mult the winter of 1815, when I heard of Dr. Wistar's Balsam of Wild Cherry.

My friends persuaded me to give it a trial, though I had given up all hopes of recovery, and had prepared myself for the change of another world. Throughther solicitations I was induced to make use of the genuine Wistar's Balsam of Wild Cherry. The effect was truly astonishing. After five years of affliction and suffering, and after having spent four or five hundred dollars to no purpose, and the best and most respectable physicians had proved unavailing, I was soon restored to emire health by the blessing of God and the use of Dr. Wistar's Balsam of Wild Cherry.

May the blessing of God rost upon the proprietors of so valuable a medicine as Wistar's Balsam of Wild Cherry. Yours, respectable physicians a facility of the signature of Henry. Wistar, M.
