IT This is to certify that a man came to my house in the fall of 1919, by the name of Henry Els, in a very destitute condition, and was almost totally blind. He had been a soldier in the British service. He was then taken to one of the best Hospitals in London, and had the best treatment that London could afford, and could not be restored to sight; and was discharged as incurable. I had heard so much about the Petroleum, I thought I would try some of it on this man. I get him a small bottle of the Petroleum Oil, which cured his eyes, well and sound, in the course of one month.

I am willing to be qualified to the truth of the above statement at any time I may be called upon so to do, and some of my neighbors can testify to the same.

WONDERFUL CURES!! Dr. Rogers' Syrup of Liverwort and To CANCHALAGUA:

Dr. Rogers' Syrup of Liverwort and Tar

C.A. C. H. A. L. A. G. U. A.;

For the complete cure of Coughs, Colds, Influenca, Asthma, Bronchitis, Spitting of Blood, and all other Lung Complaints tending to CONSUMPTION.

This syrup contains no Opilar, Calomel, or any mineral whatever, but is composed entirely of those Roots, influence upon the Lungs, and their connected organs. Its immediate effect is to silary all irritation, and gently remove the phlegm and other morbid secretions from the Throat and Air-Passages; thus relieving the Cough, by subduing the influenmation and other causes which give rise to it. It also stimulates and imparts a healthy ione to the Lungs themselves, thereby enabling them more thoroughly to remove from the blood these imparities and diseased particles, which, if retained, do so much mischief in the system, and lay the foundation for incurable CONSUMPTION. It also exerts a decided action upon the skin, and assists nature in expelling, through the Exhalents, much of that morbid matter which would otherwise be thrown back upon the Lungs, thus relieving then for a part of their work, and rendering the system pure and healthy. When tubercles are forming, it checks their development and further progress; or if ulceration has taken place, it assists the Lungs in throwing off the corrupted matter, soothes the irritation, heals the alcer atted cavines, and restores them again to healthy action. This Medicine, therefore, is not a politarize merely, which only relieves for the time being, but is a thorough curative, as itstrikes at the very root of the disease, and by removing it, removes at once all its remote and attendant consequences. Cough and Disease of fourteen months standing Cured After being givon up twice by eminent Physicians!

Mestr. A. L. Scovill & Uo.—I herewith forward to you a Certificate of a Cure, effected by your Compound Syrup of Liverwort, Tar und Cunchalagau. The Cough and expectation was of fourteen months standing, and had baffled the skill of several of our eminent physicians in New York, Albany and Coopersiown. I am the person in whom the cure was effected, and as I had previously to faith in patent medicines, I have since tried it on others, and have become satisfied of its vulue. Mine was os great a cure as was ever performed, as I had, during my sickness, been given up twice by my physicians. I have now commenced my business, after taking, I link, about eight bothles.

BLEEDING AT THE LUNGS CURED.

Statement of Mr. A. Lang, Baker, No. 389 Pearl street, N. Y.—A few days before last Christmas, I was taken unwell, and soon commenced bleeding freely at the Lungs. I called in a Homeopanhie physician, but his medicine did not seem to help me. I rend your advertisement, and thought I would try Dr. Roger? Syrup of Livertoort, Tar and. Canchalagua. Before I had taken up the third bottle, my bleeding had stopped, my Cough was gone; and I folt as well as usual. My health is now good. I consider it a most excellent medicine, and corduly recommend it to my friends. This statement was made to the Propristors, March 12th, 1850.1

Massrs. Sanford & Park: I take this opportunity of informing you of a most remarkable cure performed on me by the use of Dr. Wistar's Ealsam of Wild Cherry.

In the year 1240 I was taken with the inflammation of the bowels, which I labored under for six weeks, when I gradually recovered. In the fall of 1841 I was attacked with a severe cold, which seated itself upon my lungs, and for the space of three years I was confined town bed. Littled all kinds of medicines and every variety of aid without benefit; and thus I wearied along and the winster of 1845, when I heard of Dr. Wistar's Balsam of Wild Cherry.

My friends persuaded me to give it a trial, though I had given up all hopes of recovery, and had prepared inyself for the change of another world. Through their solicitations I was induced to make use of the genuine with a stonishing. After five years of affliction and suffering, and after having spent four or five hundred dollars to no purpose, and the best and most respectable physicians health by the blessing of God rest upon the proprietors of so valuable a medicine a: Wistar's Balsam of Wild Cherry.
