Cough and Discase of fourteen months standing Cured After being given up twice by eminent Physicians!

Messrs. A. L. Scovill & Co.—I herewith forward to you a Cortificate of a Cure, effected by your Compound Syrup of Liverwort, Tar and Canchalagua. The Cough and expectoration was of fourteen months standing, and had bailled the skill of several of our eminent physicians in New York, Albany and Cooperstown. I am the person in whom the cure was effected, and as I had previously no faith in patent medicines, I have since tried it on others, and have become satisfied of its value. Mine was a great a cure as was ever performed, as I had, during my sickness, been given up time by my physicians. I have now commenged my business, after taking, I think, about eight boules.

Yours, respectfully, THOS. C. FAULDER.

St. Louis, March 4.

Capt. Cozzens, who left a few days since for Jot ferson county, has elicited some information about Moore, the counterfeiter. He proceeded to the house occupied by him before he left for California, and succeeded in discovering in an out-house two large boxes containing a press for printing bank bills of a beautiful manufacture, hank note paper, vices, saws, engraving implements, &c. An earthen jug, tightly gorked, was also found, containing a large quantity of counterfeit notes on the Bank of Missouri, in all about \$200,000.

[From Dr. Baker, Springfield, Weshington co., Ky.]

Semonton, Ky., May 14, 1845,

Messrs. Sanford & Park: I take this opportunity of informing you of a meat remarkable cure performed on me by the use of Dr. Wistar's Balsam of Wild Cherry.

In the year 1840 I was taken with the inflammation of the bowels, which I labored under tor six weeks when I gradually recovered. In the fall of 1831 I was attacked with a severe cold, which scatted itself upon my lungs, and for the space of three years I was confined tomy bed. I tried all kinds of medicines and svery variety of nid without benefit; and thus I wearled along until the winter of 1845, when I neard of Dr. Wistar's Balsam of Wild Cherry.

My friends persuaded me to give it a trial; though I had given up all hopes of recovery, and had prepared myself for the change of unother world. Through their solicitations I was induced to make use of the praved myself for the change of unother world. Through their solicitations I was induced to make use of the praved myself for the change of wild Cherry. The effect was truly astonishing. After five years of afficience and efficiency and after having spent four or five hundred dollars to no purpose, and the best and most respectable physicians.
