JOHN RHEY.

Very Valuable City Property for Sale. Another Wonder!

IIT This is to certify that a man came to my house in the fall of 1819, by the name of Henry Els, in a very destitute condition, and was almost totally blind. He had been a soldier in the British service. He was then taken to one of the best Hospitals in London, and had the best treatment that London could afford, and could not be restored to sight; and was discharged as incurable. I had heard so much about the Petroleum, I thought I would try some of it on this man. I get him a small bottle of the Petroleum Oil, which cured his eyes, well and sound, in the course of one month.

I am willing to be qualified to the truth of the above statement at any time I may be called upon so to do, and some of my neighbors can testify to the same.

Cough and Disease of fourteen months standing Cured After being given up twice by eminent Physicians!

ALBANY, June 9th, 1849.

MENT, A. L. Scovill & Co.—I herewish forward to you a Certificate of a Cure, effected by your Compound Syrup of Liverwort, Tar und Canchalagua. The Cough and capetoration was of fourteen months standing, and had baffied the skill of several of our eminent physicians in New York, Albany and Cooperstown. I am the person in whom the cure was effected, and as I had previously no faith in patent medicines, I have since wired it con others, and have become satisfied of its value. Mine was as great a cure as was ever performed, as I had, during my sickness, bein given up twice by my physicians. I have now commenced my business, after taking, think, about eight bottles.

Yours, respectfully, THOS. C. FAULDER.
