[Written for the Morning Post.] What is Christian Socialism NUMBER FIVE.

Its care of Childhood. It is absurd, then, to array Socialism agains Christianity. The former can be viewed only as

The Morning Post. the handmaid of the latter; as the means to straighten the paths, smooth the rough places and prepare the ground of the human mind for the fall reception of christian influence. If you gath. er pp. the children from the streats, set them at work in the shop, the farm, the school ; keep them always occupied under the eye of watchful guar. dians of their behavior and morals, superadding daily christian instruction, and continue such discipline until after puberty, is it to be supposed that they will be less likely to lead virtuous or christian lives than if they had been left to run the town at large, or to mope at home after a few hours mere book-studying at school? Will they, because they live under one roof-because they work in classes or groups, at various in and out door transactions-because they are guarded from temptation and mutual encroachment by kind attendants-will they, from all this, be less suscep-THE MORNING POST has a larger circulation than subscription paper published in Pittsburgh. To b ness men it alfords an effcellent medlum for Advertis-and being the only Democratic paper issued in Alleg ny county, it goes into the hands of a class of read reached by no other paper. Advertisers will be g enough to bear this in mind. tible of christian teaching-less easily moved by appeals to the higher feelings-less able to live what they learn, than if left in the city, to b either scolded at home for misbehavior, (which often means playing too heartily,) or allowed to battle with rudeness and volgarity in the streets ?

Assuredly not! The same conditions, however "in good health." or similar, that favor a virtuous and religious development in children, will do it in adults. Hence if men were in like manner to change the outward form of their industrial relations; if, in place of competition, isolation and divided interests, they would substitute combination and co-operation ; if, instead of living upon each other's wants, they would live by the satisfaction of those wants

through united action in associated communities, now constituted, and empowered to discharge any where material interests were harmonized, real es other duties imposed upon him by the law. tate, tools and machinery held in joint stock, and Superintendent is to be sworn or affirmed, and shall the profits of united labor divided according to an give bond, with sufficient security, in the sum of agreed method; where every person could at will \$50,000. He is to receive his commission from the take his turn in the field, garden or workshop, thus Governor, and is reliable to removal by the same where with different groups of friends; where the Houses. The Superintendent is to have the exclu mere physical wants of food, clothing and shelter sive management of the public works, and is cnawould be extinguished in abundance, and time af- ent of motive power on the Columbia Railroad, and forded by a hundred kinds of now unapplied labor on the Allegheny Portage Road ; one Supervisor for saving machines, for intellectual and social culs each division of the Canal, and Collectors and Weigh-

scramble for wealth, and where a man is forced

nor can make, sufficient provision for their wants,

and they are left too much to the uncontrolled pas-

cradle to the grave it is one continued worry and

battle against a host of outward conditions. most

adverse to the expansion of the loftier and holier

elements of human nature ; adverse, because they

lock a man up in self, and wall him out from oth-

ers with the wants of self, through the difficulty

of satisfying them even when bare necessities .--

Considering all this, the wonder is, not that there

is so much evil, but so much good yet in the world,

and that it has not all been crushed out of man,

and the Divine likeness in him obliterated past all

But to return from this digression and criticism

of city childhood. The associated community or communities, into which we have supposed one of our cities to be resolved, having by the " combi-

nation of all for the welfare of each," provided, as

stated, for their common health, collective indus-

try and commerce, would next, in the capacity of

parents, make ample provision for the children .---

The regenerated city would probably have its

dwelling portion, (consisting of a few large uni-

tary edifices like mommoth hotels or palaces,)

situated in the centre of an ample tract of coun-

try or domain, with extensive gardens and parks

in its immediate vicinity. At a suitable distance

might be placed the industrial department, com-

capacity of restoration.

posed to christian practice, than if spent as it is ment of a Supervisor of Repairs on the Columbia now by the great mass of men, in a ceaseless Railroad, and the Allegheny Portage Road. He is nd where all the activity of others is but
