ern times ' PETROLEUM OR ROCK OIL; T is not more than one year ago since this great rem-edy was brought before the public, for the relief and cute of disease. Its great powers to head, have, since then, become fully appreciated by the community, and we allege that the longer it is not the remedy of a day, got up for the sole purpose of making money; but, one, of up for the sole purpose of making money; but, one, of up for the sole purpose of making money; but, one, which we conceive, will contune to be used when all nostrums have been forgouten. The PETROLEUM is a Natural Remedy, elaborated in the depths of the earth by a power and agency that laughs to scorn all human competition. It is our duty, when we write about a medicine, that we write TRUTH—that we ary nothing t calculated to deceive those who may trust our word or put confidence in our satements. The sick are very f api to eatch at any thing that promises relief from dis-ease. A story can hardry be too highly, wrought to an-swer the object of galling or humbugging some of them. Now, we do not desire to do this; we are a narious only that the truth in relation to our Remedy should be told. In order to secure for it a reputation for exceeding any single article of the materia medica. Plain, unvarialised f facts—facts that may be ascertained in our own city and neighborhood, hear ample testimony in favor of the Pe-trolearm. White is a state of the characteristic citizeness of gate-ments ever got up in this or any other city in the West-ern country. My parchases having been all made early, I have therefore avoided the late advances made in almost all descriptions of Woollen Goods, and am therefore ena-bled to offer my stock at unusually low prices. I have this season paid more than usual attention to the manufacturing and style of my gatiments, so that the very lowest priced as well as the finest are got up in a style and elegance not to be surpassed. Hundreds of new customers, both wholesale and retail, have been attracted as much by the superior make of the clothing as by the lowness of my prices. The proprietor would particularly call the attention of all dealers up Clothing to fats present stock, believing that upon examination of the quality and prices of his Goods they will be induced to parchase?
